Community of Respect Event

This year Pinecrest and the Anti-defamation League will host the event which will feature "Communities of Fairness, Communities of Wellness" by acclaimed Dr. Issac Prilleltensky. The Celebrate Diversity in Miami photo-voice exhibit will be on display and Pinecrest's five public schools will receive No Place For Hate banners. Food and refreshments will be provided. Come learn how to promote respect and diversity in your community!

Dr. Prilleltensky is Dean of Education and Human Development at the University of Miami. He has published seven books and over 125 articles and chapters. He has received various awards including the 2014 "Lifetime Achievement Award for Prevention" by the Society for Counseling Psychology. He is leading an interdisciplinary team developing assessments and interventions to promote inter-personal, community, occupational, psychological, physical, and economic (I COPPE) well-being.
