

# newgold™ Blackwater Project

## Environmental Assessment of the Blackwater Gold Project

**Public Comment Period  
January 20 - February 19**

New Gold Inc. is proposing the construction and operation of an open pit gold and silver mine located approximately 160 kilometres southwest of Prince George and 110 kilometres southwest of Vanderhoof, British Columbia. The proposed Blackwater Gold Project is currently undergoing a provincial and federal Environmental Assessment.

The public is invited to review and ask questions about the Blackwater Gold Project Environmental Assessment Application. Public comments are due by February 19.

Ask questions and learn about the proposed Project at an Information Session near you.
