Inkssentials™ Collage Glue Stick

Ranger is pleased to announce the addition of the Collage Glue Stick to the Inkssentials™ Tools product line. This convenient, fast-drying adhesive bonds paper surfaces permanently, so it is ideal for paper collage, photos, ephemera and more. The Collage Glue Stick dries clear and is great as a mess-free and portable application of glue.

Glue Sticks are available open stock and or as a set of 24 in a convenient display box. Non-toxic and acid free.

Create custom-made fabric paints with Inkssentials™ Clear Fabric Medium!

The new Inkssentials™ Clear Fabric Medium is a dimensional acrylic medium that creates custom fabric paints. Just add color to the clear formula by mixing with Ranger Archival Inks, Adirondack® Pigment Inks, Adirondack Alcohol Inks or Perfect Pearls™ Pigment Powders. Use with glitters and embossing powders for added sparkly effects, too.

Create wearable art by using the custom paints to stencil, stamp or paint with a brush onto t-shirts, aprons, handbags, scarves and more.
