Press Release

Expand your coloring options with the Inkssentials™ Craft Nib Holder and Craft Nibs!

Ranger is proud to announce that we have added a Craft Nib Holder to our Inkssentials Tools product line. The Craft Nib Holder was developed specially for use with Inkssentials Craft Nibs (new name for the popular Cut n' Dry Nibs). The ergonomic design of the holder allows for comfortable drawing, painting, journaling and doodling.

Use the Craft Nib holder with a Craft Nib to custom color with paints, chalks, dye ink, pigment ink, watermark resist ink and embossing ink. Use with Distress Inks for photo tinting.

The Craft Nib Holder is packaged with 2 starter Craft Nibs. Replacement packs of 10 brush tip Craft Nibs are sold separately.
