

Ahoy Matey!

The Hawk Mountain Council Venturing Officers Association (VOA) is proud to announce Ventureen 2015. Do you wait for Halloween to come every year? For some of us the costumes are the draw, for others the candy, or others just the fall weather. Well Ventureen gives you a chance to celebrate a second Halloween during November. This year's theme will be "Haunted Pirates." So grab your sword, wooden peg leg, parrot, and your bottle of grog and come up to HMSR for some swashbuckling fun. We'll be casting off on November 13th at 6:30pm, and we'll be returning to port that Sunday. The weekend will be filled with pirate games, pistol shooting, a chance to dress your advisor like a pirate, tent camping, and socializing with fellow Venturers.

For those of you in a scout troop age 14 and older and are wondering what Venturing is all about, well look no further. This weekend provides an opportunity to experience Venturing first hand.

I hope to see you there matey. Arrgh.
