

Be sure to attend the Michael Beck informative and motivational seminar on Sunday, May 17 at 4:00 PM at the auditorium at Schuylkill Valley High School. Your unit will earn an additional 2% in commission by attending this seminar. More importantly you will learn how selling Campmasters popcorn can make your popcorn sale a fun, exciting, and a more profitable experience for everyone involved.

Troops - Invite your Scouts to attend this presentation. This is an excellent opportunity for your Scouts to learn communication and leadership skills.

We are committed to having a great popcorn sale and have a lot of fun planned. In addition, we will be providing many incentives for the Scouts. On top of the Campmasters incentives and the prize program we will be offering many Council incentives. We will continue the \$600 Club with the weekly drawings and grand prize drawing. We will also continue rewarding \$1,000 sellers with a Fightin Phils ticket package and the \$1,500 sellers with Hershey Park tickets. We are reintroducing the Mystery Houses. There will be 40 houses located throughout the council identified as Mystery Houses. Be the first Scout to sell popcorn at one of the houses and receive a special prize. Clues will be posted each week on the council website.
