

ARROWTOUR

Hosted by Kittatinny Lodge 5

Thursday June 18, 2015 – Hawk Mountain Scout Reservation

Join Scouts, Scouters, and Alumni as we celebrate the Centennial of the Order of the Arrow, Scouting's National Honor Society. ArrowTour is a series of four caravans traveling throughout the country visiting select camps and council service centers to help our Scouts and Arrowmen Connect, Reflect, and Discover the Order of the Arrow. HMSR has been chosen as the second stop in the Northeast Region. ArrowTour is a day of fun and exploration of an integral part of Scouting's history and its future. The day concludes with a celebration and show provided by the Northeast Region. The show will start at 7:00PM.

Any Scout, alumni, or family member may attend this event. There will be activities along with history displays to make the day memorable. There is no fee to attend this event! Please discuss attending with your unit and scouting friends. Online registration is available at <http://www.hmc-bsa.org/Event.aspx?id=1989>. This is a great event for units and patrols to participate in!

Unit Leaders: You received an RSVP card in the mail. Please return this card by June 12th.

A few of the activities planned for that day include: ga-ga pit, t-shirt silk screening (bring your own t-shirt), branding (bring item to brand), tomahawk throwing, atl-atl throwing, Native American make – it take – it necklace (Cubs only), and more! A patch trading area will be set up and monitored.

Cub Scouts will be able to participate in a pine wood derby. Please see your Cubmaster for details.
