This year Congregation B'nai Shalom re-launched our Social Action work around a central theme of Homelessness. To become a more powerful force in the community, we have committed to EDUCATE and ADVOCATE on this issue, in addition to the volunteer work we will continue to do with many agencies to help those in need.

Our students are learning about these issues in Religious School. Now it is the turn of the adults. As we head into the holiday season, one of the greatest gifts we can give is a commitment to working together to help the most vulnerable in our communities.

PLEASE JOIN US AS WE LEARN FROM EXPERIENCED ADVOCATES ABOUT KEY PROGRAMS, URGENT POLICY ISSUES, AND WHAT WE CAN DO TO HELP END HOMELESSNESS IN OUR AREA.

This forum is open to the entire community. Please share widely with friends and neighbors, via Facebook and other Social Media forums.
