Briefly describe your business and/or what you do: Sunrayz Tan is a salon with 8 tanning beds at 4 levels to meet our clients' goals. We also have a Thera Sauna utilizing infrared heat to help clients relax or aid in health issues. I am the owner, which means I am involved in all aspects of the business!

Extra special stuff you would like to share: Sunrayz employs 5 part time sales associates and my husband Tim helps with most of the accounting. I worked for the previous owners for over 7 years on a part time basis before the opportunity arose for me to purchase the business last November.

List any special interests: Family vacations/traveling, gardening & baking!

Briefly describe how WBC could support you in growing your business: The members of WBC can support my business by sharing marketing or general business ideas to help attract more clients or make my business more efficient. Also, by tanning or using the sauna at Sunrayz if the need arises or letting others know what we have to offer.

Briefly describe why you are a member of the WBC: I decided to join WBC shortly after joining the Chamber. I live in New Berlin, and being a new business owner in Muskego I wanted to meet others in the community and learn what the city has to offer. I especially like the more intimate and relaxed environment of WBC.

Any additional information you would like to share: It has been a great adventure for me to open Sunrayz Tan. I love meeting clients and learning why they are tanning because it usually involves traveling to a great destination! I have been married for 24 years and have 3 children, the youngest works at the salon. I am very happy that I joined WBC! I feel comfortable with everyone and really enjoy hearing your stories.
