

# ACADEMIC JOB SEARCH SERIES

Presented in cooperation between Cornell University's Center for the Integration of Research, Teaching, and Learning (CU-CIRTL) and The Office of Postdoctoral Studies

## SUMMER 2016

All events are 12 - 1:30 pm | 102 Mann Library | Bring your lunch - Drinks and cookies provided

### **July 13 The Application Process for an Academic Job**

*Presented by Christine Holmes (Office of Postdoctoral Studies) and Colleen McLinn (CU-CIRTL)*

Discussion will include: when to apply for positions, what documents are needed, and how long the process takes, and campus resources to help you complete your application.

### **July 20 Writing a Teaching Statement**

*Presented by Colleen McLinn (CU-CIRTL)*

Through activities and discussion, we will help you design a teaching statement that helps to develop and share your personal philosophy as an educator.

### **July 27 How to Approach the Research Plan in a Job Application**

*Faculty panel moderated by Christine Holmes (Office of Postdoctoral Studies)*

This workshop will help academic job seekers interested in research-intensive universities to develop a focused and compelling research statement.

### **August 3 Designing Your Research Statement around Undergraduate Research**

*Presented by Jeffrey Werner (SUNY Cortland) \*Location changed to 101 Warren Hall\**

This workshop will help job seekers interested in four-year colleges and universities outline a research statement that highlights plans to mentor undergraduate students in research.

### **Grant-writing workshops presented by Kim Holloway, Sponsored Projects**

**August 1** How to Submit Grants at Cornell - A Primer for Postdocs

**August 8** Applying for NIH Career Development Awards (K Awards)
