

Fall Pledge Campaign: Grounded in Gratitude, Revealed in Prayer, Lived in Faith

Well, we survived the revival! It was truly amazing wasn't it? Did you feel the Holy Spirit working through the music of Fran McKendree and the preaching of Fr. David Canan and Fr. Jeffrey Ross? That was some good preaching and singing! Are you as totally renewed and invigorated by the whole thing as I am?

September has been the time to RECONNECT. You have had a chance to do so via the cottage meetings and hopefully you participated in Rally Day, where you signed up and joined new ministries that interest you and are ready to do God's work.

We are now ready for the next step in the Saints Coming Alive movement: RECOMMIT.

You know, of course, that all of the ministries associated with Rally Day are part of the overall stewardship program at All Saints'. We make a pledge to be present and to serve and volunteer our time to these ministries. God's ministries can only grow with your help and presence. Another part of the committal process is our pledge of monetary gifts to the church to fund all of our ministries.

This year the theme for the fall stewardship campaign is "Grounded in Gratitude, Revealed in Prayer, Lived in Faith". Our focus is on the gratitude we show to God for all the gifts he has provided for us. One way this spirit of gratitude is revealed is via prayer. As we pray and become closer to God, our lives, in turn, are lived through faith.

All that we are and all that we have comes from God. This understanding is part of our tradition and part of our weekly worship. God calls us to another standard and that is to return to God for God's work, a portion of what we have been given.

The standard of giving is the tithe which is 10%. The Vestry of All Saints' recognizes this and all the members are working towards the tithe in their own personal giving. Please join the Vestry in making a pledge and working towards the tithe.

The fall stewardship campaign starts the Sunday after our Fall BBQ, October 7th, and concludes with a visit from Bishop George Young on October 28th. Each Sunday in October there will be special sermons, teachings, prayer groups and displays on Gratitude, Prayer and Faith. There will be something for everyone in which to participate.

You need not worry about keeping up with a pledge card this year; no pledge cards will be mailed before the campaign. The cards will be handed out on the day the Bishop is present and there will be time to reflect, pray, and fill them out and then carry them to the altar for blessing.

Please make plans to attend all of the Sundays in October and especially on the Sunday that the Bishop visits.

Sincerely,
Alex Cuningham, Sr. Warden

SAINTS' COMING ALIVE REPORT!

Thank you to all those who took part in Cottage Meetings subsequent to the Preaching-Mission at All Saints! Although there was occasional confusion as a result of trying to match parishioner availability with home availability, we managed to accommodate 80 people.

Thank you to those who volunteered to host gatherings in their homes: *Carol-Jean & David Webster, Nancy & Jack Fishman, Stacey & Paul Kesterson, Sarah & Jim Gose, Shamron & Wayne Stambaugh, Nancy & Skeet Jernigan, Jill & Alex Cunningham, Charleen & Steve Julson and Lena & George Giles.* (Apologies for last minute plan changes for the Giles.)

And thank you to those who spent a day in training as Facilitators and then led one or more meetings: *Lauren Cordle, Darby Taylor, Kenny Zitt, Nancy Holder and Nancy and Skeet Jernigan.* Well done, folks!!

Now it is on to Step Three in our four-part process of "Saints' Coming Alive." Beginning with the BBQ, we enter a period of **re-commitment**.

October and November provide opportunities to engage in different parish projects and activities – some are related to parish life and Christian formation. Others are related to outreach. We also enter a four week Fall Pledge Campaign.

While this is happening, a small group is collating all of the information from the Cottage Meetings and putting it into categories. This information will come back to you in the form of a survey in which parishioners will be asked to make some choices about priorities.

When that round of surveys has been returned, the results of that will go to a group of strategic thinkers who will look at the priorities and determine what will be required to make those things happen.

You will hear about this at the Annual Meeting, January 13, 2013.

OUTREACH FALL PROJECT

During the month of October, the Outreach Committee will be collecting coats and blankets for the homeless in the Lakeway area. We will be working in conjunction with Central Services.

If you have gently used coats and blankets in good condition to donate, you are invited to leave them in a box found in any of the following places:

- Sunday morning: 7:30am—12:30pm—narthex
- Sunday morning and Weekdays: 9:00am—4:00pm- downstairs entrance
- Weekdays: 8am—3pm—All Saints' Episcopal School
- Weekdays: 8am—5pm: Citizen Tribune: 8am—5pm—Front reception area

Please check the pockets before depositing coats. If you have questions, please contact Jill Cunningham or Peg DeSantis

Ministry to, for and by Our Children...

CHILDREN'S CHAPEL 2012-2013

THOUGHTS TO CONSIDER!

How much would you like to see our number of children grow in the church?

- The better and more consistent our programs are, the more we have participation!

Do you have a special place for children in your heart?

- You can contribute to a wonderful experience for children in our church!

Would you be willing to contribute 30 minutes of your time every few weeks to helping this Children's Ministry grow?

- Every Sunday during the late service, children leave the service for their own formation experience.

Where do they go and what do they do?

- They go upstairs to "Children's Chapel" where they engage in short, simple worship and learning experience. The curriculum is provided for you, and you can prepare weeks in advance of your lesson.

If you think you have a heart for this Ministry please contact Judy Yates (423-312-4141) or Lynne Ann at the church office (423-586-6201)

YOUTH SERVICE Project October 20th & 27th

(Weather permitting)

One of the things we learned on our summer work trip was that it is a good thing to have some basic carpentry skills. One way to do this is to practice before ever getting into a project with a deadline. And...when the learning is combined with helping someone, it really becomes a project in which relationships can be strengthened and where the tasks have real meaning.

So...the High School kids of the parish are undertaking the repair of Cathy Varner's porch on two Saturdays in Oct. Cathy will have lunch for the group.

The job will be broken into four quarters which will match sections of the day: morning and afternoon of each Saturday. Paul Kesterson will be doing the preliminary survey and developing a materials list. Other men in the parish will take on some oversight responsibilities for sections of the project: demolition, construction, and finishing. We hope all our high school students can commit to serving one block of time over these two days. Contact the Rector or call or text Kathy Haun to sign up to help at 423-277-1600

Worship Notes

REGARDING ANNOUNCEMENTS DURING SUNDAY WORSHIP

The Worship Committee met in August and in September. On the agenda at both meetings were announcements during Sunday worship. It was a lively discussion and included much conversation about when is the best time to do announcements. We have chosen to retain announcements in the place where they are currently made.

At issue is that sometimes the number of announcements and announcement length gets out of hand. Often the request to make an announcement comes just before the opening procession and the announcement is made "on the fly."

It is the sense of the Worship Committee that giving some thought to what needs to be announced and the best way to do that will make our announcements — both written and verbal—more timely and more available to all.

So, please note the instructions below. We begin on the First Sunday of Advent, Dec. 9.

- If you wish to make an announcement, consider that those who will need the information may not be in attendance on a Sunday and consider making the announcement in writing as well as verbally.
- Written announcements can be submitted to Lynne Ann by 9am on Tuesday of the week preceding the Sunday you wish to make a verbal announcement. The deadline for newsletter items is the 15th of the month preceding the event. This insures publication in the newsletter, in the service bulletin AND in the Friday email. This expands the number of people who receive the news.
- If you wish to make a verbal announcement during Sunday worship, please contact the Rector and/or Lynne Ann by phone or email **no later than 12N on the Thursday** preceding the day you wish to make the announcement.
- We will try to accommodate those who wish to speak. Our preference is to limit announcements to no more than two speakers per service. Exceptions are possible; but we need to know well in advance.
- Verbal announcements will be made on a first come, first served basis.

Thank you for your cooperation. We hope these steps will actually help remind us all of the various ways in which communication can happen.

Eucharistic Ministry Training: Sunday, October 21 at 12:15PM in the church.

Eucharistic Ministers are also known as Chalice Bearers and serve on a regular rota during Sunday morning and at special services.

A REMINDER ABOUT PRAYERS FOR THE DEPARTED on All Saints' Day

It is our custom to remember those who have departed this life during the past year on the Sunday on which we celebrate All Saints' Day. This year that Sunday is October 28 when the Bishop will be with us.

Lynne Ann will be combing through all of the bulletins since last All Saints' Day. But it would be very helpful if parishioners called or emailed the names and dates of those whom we want to remember so that we don't miss anyone and so that we get the names in the correct sequence.

Thank you for your help!

October 21– 10:30AM

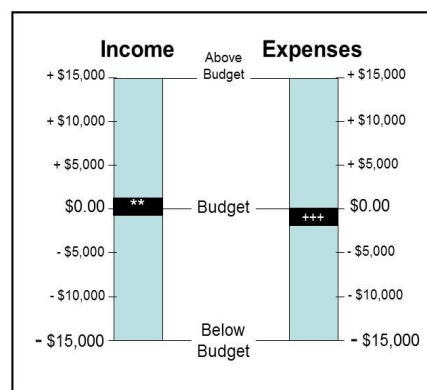

About twice each year, we highlight the presence of children and youth in our midst by inviting them to serve in liturgical capacities. On October 21st, you will be greeted and seated by young ushers. Our readers are at work preparing to read that day. Our children are preparing to sing an anthem.

Come and support our young people in taking visible roles in worship.

GROWING ALL SAINTS EPISCOPAL SCHOOL: An Evening of Inspiration

A gathering of highly engaged ASES community members witnessed the "heart" of the school in a convivial evening at the Country Club on September 13, which exceeded expectations. In the first full report of the Long Range Planning Committee, LRPC co-chairs Anne Sheedlo and Renee Siddiqi spoke to the emotional ties that bind them to the school. They selflessly commit countless hours of volunteer work in order to achieve the goal of making All Saints the best that it can be.

The pair described the focused tasks of the LRPC through the work of various sub-committees that effected computer upgrades, increased playground safety, sealed & striped the parking lot, improved marketing, conducted grant research. Efforts to advertise our accreditation grow our endowment and market ASES to surrounding counties have all been a direct result of the LRPC. Additionally, we have upgraded our benchmarks, are currently in the process of adding a classroom pilot technology program, and establishing an in-house lunch program.

Seven Reasons...

Highlights of the school's program and some of our shared values were disseminated at the "Growing All Saints" event in the form of "Seven Reasons Your Child Belongs."

- **Student Safety:** A closely knit community that follows both national guidelines for safety and the detailed child safety training of the Episcopal Church, ASES is the safest place for your child to learn and grow.
- **Caring Faculty:** The average teaching tenure of the ASES faculty member is 25 years. We believe that such longevity is founded in a deep, abiding love and respect for children. Our teachers give more than the "allotted" time for preparation, go out of their way to keep parents informed, and demonstrate a real understanding of their students' learning styles.
- **Christian Environment:** Our core values, Spirituality, Tolerance, Achievement, Integrity, Respect, and Service, are grounded in Judeo-Christian tradition. Religion class is taught at every grade level and Chapel services are held weekly.
- **Low Ratios:** K-8th grade teacher-student ratio is 1 to 12. In the Early Learning Center it's 1 to 7.
- **High Expectations:** Accredited by the Southern Association of Colleges and Schools and the Southern Association of Independent Schools, ASES has been thoroughly vetted by two of the country's most rigorous academic agencies. Recent curricular changes include the adaptation of the Massachusetts Curriculum benchmarks...some of the highest in the country.
- **Full Enrichment:** Formal Art classes, Spanish Language classes, Physical Education classes, Music classes and Technology classes are part of our fully enriched curriculum. Extra-curricular clubs, groups and sports are always growing and include the Chess Club, the Yearbook Club, our competitive interscholastic sports teams, the Junior Basketball program, and Singing Saints.
- **Field Studies:** Distinguishing the difference between field studies and field trips, ASES students experience both. Whether it's a visit from the fire department for our youngest or a week-long study of the Florida Everglades for our eldest, all trips are academic in nature.

Mr. Scotty Taylor of the Hamblen County Farm Bureau visited ASES in order to deliver a \$250 check to further support God's Bounty ASES Outdoor Classroom. The annual grant is provided to those organizations that meet the criteria and send in the best applications. Sales from our produce provide matching monies, which is a further requirement of the grant.

Hello ASES volleyball fans! The Eagles have had a wonderful season so far this year. The team is working extremely hard on skills and endurance. Coach Korody is proud to say that every person on the team has improved since the season started. Pictured are Caitlin King, Abby Siddiqi, and Rebecca Noble bumping and backing each other up all the way through the play, and McKenna Korody getting ready to hit her "killer" deep serve. While we haven't won every game, we have faced some strong teams and made them work extremely hard for their wins.

ASES News Continued.....**THE EARLY LEARNING CENTER**

Our youngest students continue to thrive. Here's snapshot of typical activities in the ELC.

The 2's are counting: how many apple slices, how many apple seeds? Daily they are seen dancing around the room closely following the directions of their teachers

Stop by the 3's room and you will find the children making clay letters and writing on slate boards with wet sponges. The 3's are looking at different sizes and deciding if circles are big, bigger, biggest or small, smaller, smallest. Help them to continue comparing by using describing words.

Stop by the 4's room and see the 4's using pencils to make diagonal lines, open curves, and closed curves. The 4's will tell you they are making mountains, U's, circles, slanted lines left-to-right and slanted lines right-to-left. The 4's have started the first unit, "What's the Shape", in their new math program. They are finding shapes EVERYWHERE!

Wednesdays in the Art room...

A new program started by art teacher Dot Nosal has all ages participating in craft activities on Wednesdays after school. First, the Wednesday crew learned to knit scarves up next quilting – good stuff!

Brian Mogren found a Hickory Horned Devil aka *Citheronia Regalis* on the farm he shares with his wife Laura Jo and mother-in-law, Lynne Ann Anderson. The caterpillar is currently pupating and will emerge as a Regal Moth sometime next spring! The beast arrived for a lengthy stay in Ms. Dickens' room.

Camp Wesley Woods, in Townsend TN, was the scene of two days of fellowship and team building for 48 students in grades 4-8, 5 faculty members and 20 parents on August 27 and 28. "Challenged by choice," students hiked, committed to high and low ropes courses, climbed and rappelled rock faces, and became closer as a result. One observer noted, "The loud and vociferous encouragement students shared with each other was quite remarkable."

Remember to save the dates:**October 21, 2012. The ASES Showcase**

Stay tuned for more information about activities we'll have and how we all benefit by the addition of new families

1ST SUNDAY SPECIAL EVENTS

PARISH BREAKFAST—8:45am—9:25am

VISIT WITH VESTRY: 9: 25am—10am

November 4th

One of the things church leaders learned this summer is that we need to be intentional in addressing and providing opportunities for parishioners to ask questions of Vestry persons. Vestry meetings are always open to visitors. However, in a parish our size, people are curious or have ideas or want clarification on a variety of topics and may not think it may not be of a nature to bring to a Vestry meeting. So the Vestry is opening such an opportunity every 1st Sunday of each month for parishioners to bring these ideas, questions, thoughts to the Vestry.

During the program year, this will always fall on Breakfast Sunday. So, instead of providing a shortened adult forum, we invite adults in the parish to enjoy a leisurely breakfast with no formal program.

For those who may wish to speak with a Vestry person, there will be two sets of two Vestry persons available that Sunday to anyone who wishes to engage in dialogue. On Sunday, November 4th, there will be two Vestry persons in the Memorial Room and two Vestry persons in the large activity room downstairs. There is no sign up sheet, but if you would like some private time, please contact one of us to let us know and we will make certain that you have some time alone.

If there is a particular issue you wish to hear about, you are also invited to say something to one of us. If enough people have the same questions, we will try to make certain the people who can address that question are present and address a larger group. Otherwise, please feel free to go downstairs and meet with one or the other Vestry partners.
