Recognitions and Thanksgivings during April

Confirmation— April 10

On Wednesday evening, April 10th at 6:30PM, Bishop Young will be with us for the confirmation of nine young people. Those affirming their baptismal vows are:

<i>Ian Cox</i>	<i>Jackson Hutchins</i>	<i>Hank Selby</i>
<i>Megan Doherty</i>	<i>Abby Kesterson</i>	<i>Jonathan Sunbear</i>
<i>Jimmy Gose</i>	<i>Korey Kinsler</i>	<i>Ashley Weaver</i>

Confirmands will meet with the Bishop at 5:15PM in the Memorial Room. A reception in honor of the Confirmands will be held in the Parish Hall and will follow the service.

Service of Pastoral Leave-taking— April 21st

On Sunday, April 21st, there will be only one service at 9:30am. This is a special service to mark Pastor Scherry's last Sunday with us. It will bring to a close her service as our Rector for the last nine years. It will also be marked by blessings, recognitions and presentations to people and of projects that will be completed.

Pastor Scherry will return, symbolically, those items presented to her at her investiture as our Rector in 2004. She will present Senior Crosses to those who are graduating High School. She will award a certificate of completion of four years of EFM to Melissa Carson.

All Saints' received an anonymous gift to be used for the creation of Altar Kneeling Cushions in 2011. Many, many people have been involved in this project from organization, to design, to teaching needlepoint, to holding classes, to final creation of the cushions. Pastor Scherry will bless and consecrate (set aside for holy use) the Altar Kneelers that have been in this lengthy process. Recognition of the people involved will take place at the reception in the Parish Hall immediately following the service.

Sundae Sunday is April 28th

Our Special Thanks

A word of special thanks to all who were part of making our Holy Week and Easter Day services so very, very special. On one hand it took all of us, together, walking the pilgrimage of each day to make Holy Week and Easter Day the moving and powerful experience it was. On the other hand, there are some special people to thank.

Thanks to all those engaged in liturgical ministries: the entire Altar Guild, the acolytes who served, the regularly scheduled readers and those who stepped forward for special parts. Our thanks to Eucharistic Ministers and to Eucharistic Visitors and to Presenters of the Bread and Wine. Thanks to Dr. Garber and the choir who learned music and who rehearsed additional times. Our thanks for the outside musicians whose instruments made our Easter services so festive and uplifting.

Thanks to all engaged in the Ministry of Hospitality that was part of this week: to Greeters, to Ushers, to the bread-bakers, to those who provided hospitality on Sundays and especially to Brooke White and her team of helpers who made the Easter Brunch so very special.

Thanks to those who led Children's Church and who operated the sound, who have carried Easter lilies to our shut-ins, to Bobby and David for the flowers and to the Pigmon family for the service booklets.

NO PARKING ZONE

The red strip painted on the curb at the entrance to the church indicates a no parking zone. This area is reserved for any EMT or Fire truck that needs access to the building. Thanks!

“Wandering” with the Senior Warden

Maybe that is not the best title for my monthly report to you. Wandering implies that there is no direction. It implies that you are dragged to only the most interesting things. Your path is determined by the way the wind blows.

Ah well folks, that is not the way it is. The Sr. Warden is an ex-officio member of EVERY committee. Now ex-officio sounds like a neat and important thing but the bottom line is that you are invited [and more or less expected] to attend every meeting of every committee. What you do try to do is meet with the most committees that you can and make sure that you get to those that need another voice or viewpoint to move forward. Most of the time I am present simply as an observer. However there are times when a view from a broader [different] perspective helps the committee get a better vision of where they need to go. For the most part that is how we are functioning, but my wandering seems to help keep us on track.

WHERE ARE WE IN THE CALLING PROCESS???

April 28 is coming all too soon. We have been connected with a consular who will guide us in our calling process. We have received the CVs of two interim priests with a third possibly in the mix. We are now in the process of interviewing the potential interims and beginning to work with the consultant on the calling process.

There will be a period between Scherry's final service [April 21st if you haven't been keeping track] and the arrival of our interim priest. The interim will be our priest "in place" until we have called our new rector and he/she has accepted our position. Until the interim is in place, we will have supply priests to keep our liturgical clock ticking. We may have supply priests until the end of June, before we have concluded the arrangements with the interim priest. While this period may be unsettling to some, it does open our worship to a much more varied viewpoint.

While we are moving to call a new spiritual leader, the basis of our church remains the same... Liturgy, Sacraments and Tradition. The Saints Coming Alive process made one thing very clear. We are evolving into a different church with a strong focus on leading Morristown's spiritual life to a higher plane by helping those in need. The alternative is decay and death. We are moving ahead and we will grow.

With God's love for us all,
Pete Balling, Sr. Warden

Landscaping : Many thanks to all that worked on the landscape March 16th. Parishioners will notice the new pine straw in all the flower beds.

If you are interested in maintaining the landscaping at All Saints you may join us in the next planned workday and/or contribute to the ASEC landscape fund. Write your check to fund routine landscape maintenance today. Designate your check to the landscape fund on the memo line.

Signage: You have probably noticed that our sign on the road was leaning way over from the recent heavy winds. As we began to inspect the sign it was determined that the sign needed major repairs. The timbers had broken free from the concrete in the ground. It is going to require significant repair. As a temporary solution we have stabilized the sign and straightened it up in both directions. It looks a lot better now.

Alex Cuningham, Jr. Warden

Administration Committee

The Administration Committee continues to work on updating "Policies and Procedures" that affect our parish life. An up-to-date Vestry notebook will be available in the church office as a reference tool for members of the congregation who might need to know "what to do in case of _____?"

This manual will also be useful for supply or interim priests or prospective priests when we get that far in our search I life to think of it as an "Owner's Manual" for the church!

We want to stress the importance of checking with Lynne Ann in the office for space availability before scheduling meetings or activities in the building.

Members of the committee include: Sarah Gose, Vestry Representative, Taryn Herzog, Joe Doherty, Carol-Jean Webster, and Peter Balling as Senior Warden. The priest is also a member of the committee.

Sarah Gose, Administration

A NOTE ABOUT FINANCES:

You will see from the chart below that we are behind on income. I hope this was just a reflection of winter weather and not a reflection of anxiousness associated with the calling process. The Church and the four walls are the same. The bills and the expenses are the same.

Please keep your pledge up to date.

Outreach In Action

The Outreach Committee members are following through on their commitment to provide 50 Easter baskets to be distributed by Daily Bread. The baskets have been donated and the monies contributed by church members will enable us to buy candies and a small, age-appropriate religious item to put in these baskets. The youth are going to help with this project by assembling the baskets on Palm Sunday.

Since the youth are already working on their Hunger Campaign and Hire a Youth, the Outreach Committee has delayed the start of any more projects so we will not hinder the youth's fund raising activities.

Thank you for your support.

Parish Life Committee

The Parish Life committee is busy planning events for April. On Wednesday evening April 10, Bishop Young will be with us for confirmation followed by a reception in the parish hall for all our confirmands and the Bishop.

We are planning several activities for the retirement of our priest. There will be a party Friday evening April 19 at the home of Sarai & Udo Wender with casual fellowship, food, and toasting in celebration of Scherry and her gifts to All Saints'. On the following afternoon, Saturday April 20 at two o'clock in the afternoon, the ladies of the church will host an English Tea at All Saints' Episcopal School. Sunday April 21, there will be only one service, Festal Eucharist at 9:30AM, with Celebrant the Rev. Scherry Fouke. This will be followed by a special reception in the parish hall honoring Scherry and her years of ministry to All Saints'. We do hope you can join us for these events.

News from the Evangelism Committee:

Maudie Briggs- mbriggs@morrcom.com 423-312-0024

We are off and running in the Evangelism committee. We have "loosely" described ourselves as the sales and marketing arm of the church. Our job is to bring people to God through All Saints Church. Our membership is made up of Judy Potter Yates, Linda Bobo, Edee Web, Larry McGowan, Jason Dockery and Cindy Selby. We would welcome any additional members, so if you would like to be a part of our group, notify me or Lynne Ann.

We are still divvying up our projects between the members, but here are some so far:

Judy Yates will be working with the programs she had last year which may be revised, but we will keep you informed as we proceed. Greeters, Bread Ministry, Visiting Team, Souper Sunday Suppers, Young Couples Foyer, New Pew Cards, Newcomer Packets, House Groups-Young Adult, Marriage Encounter Group

Linda Bobo will be doing the work of the committee through the Morristown Area Chamber of Commerce. She will attend various functions there in order to let people know what a treasure we have here at All Saints Church and encourage a visit.

Cindy Selby will be guiding us as we prepare several seminars that are of interest to families, such as "Raising Kids in a Sinful World", Raising Kids Who Are Physically Fit", "Being Financially Stable During a Financial Downturn", etc. We hope to do about 5 of these and get some community wide publicity with the hope of filling up the gym at All Saints School, or at least the Parish Hall. These are still in development.

Ideas we are still looking at:

- Play dates for kids at the church or arranged by parents in homes.
- Child sitting for young couple's foyer group
- How to welcome newcomers – what is needed and plan of action
- Rector's foyer for newcomers
- The needs of the website

I will keep up to date as things take on different shapes or others began to materialize. Feel free to make suggestions and join our group. Our motto is: few meetings and a lot accomplishments.

OUR HIGH SCHOOL GRADUATES

ERICA DEAN

Erica is the younger daughter of Carolyn and Jerry Dean, and granddaughter of Richard and Sheila Rice. She was baptized at All Saints' Church on the Day of Pentecost, 1995. She attended All Saints' Preschool and was a faithful participant in Sunday School and All Saints' Children's Choir for many years.

Erica will always remember being a member of the All Saints' Choir who sang in the National Cathedral and the steps of the Jefferson Memorial in 2002.

Erica has been an active member of the Youth Group, helping to fundraise for and attend two mission trips to serve the homeless in Memphis, 2009 and 2011. She helped design and fundraise for the Youth Room Renovation and helped implement Cups for Cause and the Flamingo Flocking fundraisers. She was confirmed on All Saints' Day, 2009 and attended Spring Happening, 2012.

Erica has been honored to accompany the All Saints' choir with her flute playing whenever she has been invited and once helped accompany the WSCC Community Chorale. She qualified by audition for the East TN Junior Band Clinic in 2009 and 2010 and Senior Clinic in 2012 and 2013. She has been the first chair flute at West High for two years and Erica was very proud to lead her band as the West High Drum Major her junior and senior years. In addition she has played in the WSCC Community Band for 6 years along with her grandfather.

Erica was voted "most talented" by her high school peers and has participated in German and hiking clubs. She has been taking honors and AP classes as well as dual enrollment classes at WSCC and will graduate with honors.

Erica was also a competitive swimmer with Jefferson City Swim Club from age 5 to 16 and enjoys tent camping and hiking with her family.

Erica has been gaining valuable experience as a freelance photographer from The Citizen Tribune and intends to enroll at Pellissippi State in the fall to major in media technologies with a concentration in photography.

TAYLOR MOOREFIELD

Taylor is the son of Sarah Killiam and Ron Moorefield. He is homeschooled through the Home Life Academy and is graduating this spring. Taylor is well known to us. He was baptized here and began singing at All Saints' at age 5. He started piano lessons at age 5 also.

We have all witnessed and appreciated the development of Taylor's musical abilities and skills.

A bio for Taylor was not available at the time of publication, but a wonderful article about Taylor appears in the April issue of the magazine, Arts Alliance Mountain Empire. It can be read online at <http://artsmagazine.info/articles.php?view=detail&id=2012102920130897098>.

Here are some excerpts from that article:

"He joined the East Tennessee Children's Choir during the fourth grade and moved to the Highlands Youth Ensemble when his voice changed in the eighth grade."

"His artistic director at the Highlands Youth Ensemble is Jane Morison. Recently he auditioned for and was chosen to be a soloist in the Organization of American Kodály Educators Honor Choir in Phoenix, Ariz."

"The love of being immersed in the music and encouragement from friends led Taylor to the Symphony of the Mountains Youth Orchestra where he plays violin, which he began to study at the Academy of Strings when he was 12."

"His friends don't just encourage his musical involvement; they introduced him to acting in Liberty: The Saga of Sycamore Shoals, in which he played a Revolutionary War soldier."

"One of the things that makes Liberty such an incredible thing is the way it tells stories. People come and hear about significant historical events that happened right where you and I are standing, and they get entertained at the same time. Another thing I really like is just the acting. Acting is one of my favorite things to do, and Liberty is one of my only chances to do it."

Read the article to find out more about Taylor.

Congratulations to the Sirens of the Sale! Amy Neill, Regina Fernandes and their hardworking crew (including Antje Kohler and Treasure Phillips (pictured above) pulled a Gym Size Rummage Sale together to the benefit of the school. This year's sale included more than an estimated 5,000 items including appliances, furniture, electronics, clothing, athletic equipment and housewares. Preparing weeks in advance and dedicating more than 250 work-hours the week of the sale, the Rummage Squad managed in excess of 300 visitors and collect more than \$5,900 in proceeds that will directly benefit our children. Thank you!

Alumni news

Benjamin Young '05, a Junior at Carson Newman College (CN), placed second overall at the Southeastern Championships sponsored by USA Swimming last month in Nashville. According to staff reports in the February 26, Citizen Tribune, "Young's time of 20.85 in the 50 free style earned him a second place finish overall." He also placed 5th and 21st in the 100 freestyle and the backstroke respectively. Ben is a long time swimmer and currently swims for The Jefferson City Swim Club (JCSC).

According to the JCSC website, Ben, who also coaches the JCSC Barracudas, "...has been a part of the JCSC program for the past 14 years. His accomplishments as a swimmer include swimming USA with Sevier Aquatic Club, being a Junior National Qualifier, breaking the GKAIISA 50 Freestyle record in 2009, and being an All American. Coach Ben swam for Indian River State College in Fort Pierce, Florida where he and his team won the Junior National title as well as gaining All American consideration for a 2nd time." Now back in East TN at CN, the swimming landscape is changing. According to Allen Morgan, Carson Newman's Athletic Director, CN will add swimming to the athletic docket for the first time later this year. "Teams will compete at the pool in the MSAC. Built in 1993, this 96,000 square-foot facility is filled with options for activities and interaction, including the indoor pool."

In an interview posted on the CN website Morgan added, "Our objective is to become the premiere Division II school in the southeast United States...this is an additional way that we can do it. I'm excited about the young men and women who will become part of making history as we begin the first swim team at Carson-Newman." No doubt we will be hearing more about Ben in the months and years to come.

The 18th Annual Masters Golf Tournament will be held on April 19th at Millstone Golf Club. Tee time is 1:00pm. If you would like to help with the tournament, become a sponsor, play on a team, or donate a door prize please plan to attend this meeting or contact co-chairs Paula Gibson (jpg1018@aol.com 865-254-7474) or Tina Murrow (morrow@aol.com 865-964-1231).

"I Need a Vacation" is a rollicking series of musical numbers and dances slated for Friday, April 26, 2013, at 1:00 p.m. in the Dean Coffman Activity Center. All students in grades K-8 will be performing. Published by the Hal Leonard Corporation, "I Need a Vacation" was written by veteran composers Mac Huff and John Jacobson. Mark your calendars now for this zany frolic through the minds of children looking forward to summer break!

Our Own Treasure Phillips, a couponing mastermind, is offering a class in couponing at ASES on Tuesday May 2, at 6pm. In her own words, "In December of 2008 I didn't even know what coupon shopping was and now, I am getting my groceries for 80% off. At the current time I have a stockpile of food to last my family at least 6 months or more. I learned how to coupon shop effectively and was picked up to be on the TLC show "Extreme Couponing" in May of 2011. I have been teaching classes since then so that others can learn that it IS possible to empower yourself to save money on your grocery bill, and it is easy to learn."

Please join us for the second annual Reasons to Celebrate on May 5 at 5pm at the School. "Reasons to Celebrate" is a gathering of the extended family of All Saints' Episcopal School including. As we conclude our 45th year, All Saints' Episcopal School wishes to thank the many volunteers and donors for the foundational work begun, shared and perpetuated by the constituencies of the school, church and committed friends. This gathering provides an opportunity to celebrate how deeply we have been knit together in the past and to consider our future.

Receive him into the arms of your mercy, into the blessed rest of everlasting peace, and into the glorious company of the saints in light. Amen.
