# Saints' Alive

October 2013

Money, Money, Money!! We all talk about it. We all need more of it. We all dream about winning the lottery someday. Money is an important part of our lives. Jesus also knew that money was important to those with whom he spoke. In fact, after the kingdom of God, money was the topic he talked about the most. He knew that it was important to the people of the first century. And it was related to how they lived out their belief in God.

It is important to us as well. It is our medium of exchange even though we may seldom actually see it because of electronic deposits and payments. But we all still need it. The problem is, "How do we prioritize how we spend our money?"

Stewardship has been defined as, "What we do, with all that we have, all of the time." Usually, we think of stewardship as that time of year when the church asks for money. But stewardship is really a time when we think about our gift that we give back to God in thanksgiving for all that God has given to us. The problem is that most of us don't give our pledge a second thought. Many of us just say to ourselves, "I'll do the same as last year or I'll raise it a little, if I get a raise at work." We need to think of our giving in terms of a percentage of our income. As we all know the Episcopal Church has adopted the tithe as a standard for giving.

The reality is that your giving this year needs to be different. I invite you to give thought and prayer to your financial gift for this coming year. As we all know, All Saints' is going through a period of transition. Your church needs your increased support in order to adequately provide for your new clergy person, as well as the sustaining the programs of the parish.

Please prayerfully consider your commitment to the ministry of All Saints' for this coming year. You will be receiving your stewardship letter and your pledge card in the next few weeks. Please complete the card and bring it with you to worship on All Saints' Sunday, November 3<sup>rd</sup>.

Faithfully,  
Father Ken+

*The point is this: the one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully. Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.*

*2 Corinthians 9: 6,7*

OK. Summer is now officially over. It's Football Time in Tennessee [Thanks John Ward, I want to 'Give him SIX']. It really can't be autumn since I still have that list of summer projects that I wanted to do. East TN is too kind to me. It doesn't drop you into the cold like some places [I still remember an "early" snow in NJ 10/12/73?] but it does give you warning.

Did you miss Rally Day? Great fun, all kinds of food to nibble on while you consider what SERVICE you would offer to God and your Church for the coming year. BBQ is just around the corner with Bob Vick and Dan Dickens wondering how we will get it done. The new sound system has been decided upon and will be in place in October. The Vestry looks with sadness at four of our members who will leave and now must begin the search for their replacements [See Sarah Gose's article]. Our search for a new rector is continuing. We have met with the Bishop, listened to his counsel and left reenergized to move as swiftly as possible. With that last statement I now have everybody's attention. Please do not begin to badger the Vestry for confidential information. We have some very difficult water to cross before we make our next move. Please, please pray for us as your Vestry makes this journey.

As a "Gray Back" I sometimes look to the future and wonder where we are headed. However, when I look at our Youth and the program agenda that they have set for themselves, I have a broad smile on my face. They are not only smart, energetic and willing to take on what seems like impossible tasks, but it is as though they haven't even begun to reach their full potential. Please come to Youth Sunday, October 6, listen to their story and take pride in a truly amazing group of young people who will lead our Church in the future.

In closing, at Rally Day I learned that it was hard to give away money. Maybe it was the "STEWARDSHIP" sign on the table but I didn't have many takers [Beware a Yankee offering you money?]. It was simple. In return for a dollar, I asked that you read Matthew 25:14-30 and then decide what type of steward you are. October is Stewardship month. It is your pledge which allows the Vestry to budget for the running of our Church. For the past several years, we have been at the barest of "bare bones budgets." We have all experienced the agony of the country's financial collapse. We have seen our savings dwindle and the Lakeway area suffer from depression like unemployment. We have also seen that prices march ever upward and paychecks that increase little or not at all. However, there appears that there is light at the end of the tunnel and the economy is coming back. Please look to the future and pray for your Church. If you can increase your pledge, your Church will find a way to increase it several fold. Whatever your decision, thank you Good and Faithful Steward.

Peace, Pete Balling

Sr. Warden

Hello All Saints' family!

This year Adult Forum is meeting in the Memorial Lounge, which is downstairs by the choir room, at 9:15 am. For Adult Forum in September, Father Ken (with a bit of his humor sprinkled in) answered any questions concerning the church in our "Ask Father Ken" session. Next explored were facts and details about our "Book of Common Prayer".

During October, we will view together and discuss short, folksy and sometimes humorous DVD's from "Tex Sample".

We are excited to announce that the Thursday Morning Bible Study will be led by Mother Donna! This group also meets in the Memorial Lounge. Class will begin at 10:00am. Please come and invite a friend!

In these opportunities we look forward to fellowship, discussion and learning... and all for the sake of our Lord Jesus Christ!

*Peace And Many Blessings, Kenny*

Marc Carter and breakfast teams will begin their famous, yummy breakfasts on Sunday morning, October 6!!!

**Sweet!**

We had an exciting Rally Day....several people stopped by our booth and offered to help with special projects. Additionally, we had one new person sign up to join last year's members who had already opted to stay on the committee for another year. Yea!

Our chairman, Marylou Mauney, will be calling a committee meeting very soon to make plans for the coming year. We will again be supporting Central Services and Food on Foot ministries, plus we have several other items for discussion.

Also, don't forget the ECW Blue Boxes!! The United Thank Offering will have two phases this year, the first of which began on Rally Day and will end in early November on Stewardship Sunday. The second phase will be during Lent until Easter. If you have lost your box or if you have never participated in this worthy cause, additional UTO boxes can be found on the credenza in the narthex. All monies collected will be sent to the Diocesan ECW and they have a list of local projects.

Truly, there is much need in today's world. I know All Saints' Church members have always been generous and loving and will help our Outreach Committee in alleviating some of that need especially as we work with our local organizations.

*Thank you and I look forward to a good year.*

*Ginger Goolsby, Liaison to the Vestry for Outreach*

**To John Hutchins for a  
wonderful, successful  
Rally Day!**

Fall is just around the corner and the Youth Group is kicking into high gear. Youth Sunday is Oct 6. We would like to see as many youth participate as possible! Also that day after 10:30 service, the group will be doing their Walk-a-Thon event. Thanks to everyone who sponsored them!

Oct 14 is an iDYG event at the corn maze. October 23 is youth group get together with a small bonfire with all the fixing! Music too! Happening Now @ Grace Point is November 8 & 9. All forms and deposit is due October 25.

There are many service projects also for the month not to mention All Saints' BBQ. Youth can start helping with set up on October 9. Be sure to sign up for any duties you would like to do. Good Shepard Lutheran is selling pumpkins and needs help with unloading and selling. St. Patrick's is doing Trunk or Treat for Halloween and has invited any one who wants to help or set up their own car to come on over.

You can keep up with all the events planned on Facebook. Be sure to sign up for both All Saint Youth Group and iDYG pages!

## **What an exciting year so far!**

The **SUNDAY SCHOOL** has begun with a lot of excitement!! Susan Garber and her team are enjoying **WEAVING GOD'S PROMISES** and made Yarn Dolls for Grandparents Day.

Our **GODLY PLAY** has too begun for our children in K-2. Betsy Dobbins and her team have started with great enthusiasm!

In **CHILDREN'S CHAPEL**, the children are really enjoying their special time with our wonderful leaders! We are having great participation.

**Rally Day** is behind us and we want the All Saints enthusiasm to continue! We have all said that children are our future! For us to accomplish that we need YOU to contribute.

### **We have many opportunities available!**

We need **Children's Chapel Leaders** so that the rotation would only be once every 6 weeks. The curriculum, service and crafts are provided each week. We follow the lectionary in order that families can discuss the gospel when they get home.

We need **volunteers** for our **Children's Advisory Board**! So many of you have talents and suggestions for us and would be an absolute blessing for planning programs and activities for our children ages 2 to 10!

### **DATES TO REMEMBER**

**October 6, 2013—Youth Sunday**

**December 4, 2013—Advent Wreath making for the whole family!**

**December 11, 2013—Gingerbread Houses! AND Taco in a Bag Dinner**

**Please contact Judy Yates or Kathy Haun if you are willing to contribute in any way!**

**Thank you for loving our children!**

Rally Day was such a success and has given us a new boost of energy. We are very happy with our results, but we still need help to make this ministry all that we want it to be. If you have interest or skills in the any of areas below, we need your help.

It is my pleasure to tell you we have commitments from current church members to invite 133 people to church on or before June 1, 2014. This is an amazing church full of amazing people. Thank you everyone who committed; we still have openings for more invite pledges, so if you were unable to sign up, let me know of your intention to invite and the number of your commitment.

We had 4 new families present at Rally Day who signed up to attend Newcomer Dinners. Wow! See number 4 below for how you can be a part of this valuable ministry.

1. Website – you don't have to know how to design a website, but if you know have any knowledge of website or blog maintenance, we need someone to keep the church website updated.
2. If you would like to represent our church at community events such as Chamber events, city and county events, etc. we need you to invite new to Morristown business leaders to worship with us.
3. Newcomer Shepherds, being a resource to newcomers and visitors, wearing a special ribbon with your name tag on Sunday mornings.
4. Newcomer Dinners, inviting newcomers and "old-timers" of your choice to break bread in your home or at a picnic or cookout.
5. Card and/or Call Ministry, communicating with folks we haven't seen in a while, newcomers, visitors, parishioners serving in the military, or college aged young adults of current parishioners who are away at school. It is just a phone call or a card to let people know we care.
6. Our evangelism program at local colleges (Carson Newman and Walters State), making sure that All Saints' information regarding services and events of interest to college students is on bulletin boards, whether they are Episcopalians far from home or are just seeking a church family.
- 7. The all-important ministry of inviting and welcoming: This is something we need ALL of you to do.**

Did you notice we have new "prayer in a pocket" cards in the narthex? We sure do! They are excellent inviting tools, to give you something to hand to those you invite, with the address and times of services on the reverse side. They are also for you to take for yourself. Sometimes we need a prayer ourselves and we hope that you will use these for your personal spiritual needs as well. We have plenty, so don't be shy, take all you need. There are 4 different prayers.

I want to thank John Hutchins for all his work to make Rally Day such a success and also to Cindy Selby, whose heart for evangelism has given us all energy and focus in helping God in his work of reconciliation.

If you would like to be involved, please let us know of your interest. Maudie Briggs ([mbriggs@morrcom.com](mailto:mbriggs@morrcom.com)) or 423-312-0024. Cindy Selby ([mamacita.selby@gmail.com](mailto:mamacita.selby@gmail.com)) or 804-761-6802.

### UTO Fall In-Gathering Rally Day (September 15) to Pledge Sunday (November 3)

Through United Thank Offering, men, women, and children nurture the habit of giving daily thanks to God. These prayers of thanksgiving start when we recognize and name our many daily blessings. United Thank Offering is entrusted to promote thank offerings, to receive the offerings, and to distribute the UTO monies to support mission and ministry throughout our own diocese and the world.

If you missed picking up your "little blue box" on Rally Day, feel free to take one from the top drawer of the sideboard in the Narthex. Boxes will be collected for offering on Pledge Sunday, November 3.

### *The UTO Prayer*

*Source of all creation, all love, all true joy, accept, we pray these outwards signs of our profound and continuing thankfulness for all of life. Bless those who will benefit from these gifts through the outreach of the United Thank Offering; and keep each of us ever thankful for all the blessings of joy and challenges that come our way; through Him who is the greatest gift and blessing of all, Jesus Christ our Lord and Savior. Amen*

Our annual Blessing of the Animals will be on Sunday, October 6 at 1:30. We usually do this service close to October 4, the feast day of St. Francis of Assisi, who was known for his love of animals.

We will gather on the Stephanie Lynn Warren Memorial Playground. Please bring your pet(s) on a leash, in a basket, in a cage or haltered so that all can be safe and secure.

**GREETERS MINISTRY was inadvertently left off our sign-up sheet on Rally Day!**

**Please contact Judy Yates at 423-312-4141 or [judypotteryates@hotmail.com](mailto:judypotteryates@hotmail.com) If you are interested. It is a VERY rewarding ministry for you, our members and our visitors!**

**"Do not forget to entertain strangers, for by so doing some people have entertained angels without knowing it." Hebrews 13:2**

### **REQUIREMENTS:**

- **Greet all members and visitors as they enter into the church with a friendly and warm smile.**
- **Give all members and visitors a warm and hearty welcome which should help them to feel comfortable and happy to be in the presence of the Lord.**
- **Ask visitors to sign our guest book and give them a loaf of our bread.**
- **Provide them with information such as location of our nursery.**
- **If they have never been to our church or to the Episcopal Church introduce them to someone who will assist them with the service.**
- **Invite them to Coffee in the Parish Hall after the service and introduce them to our members.**
- **The only thing you need to be Greeter is a smile!**

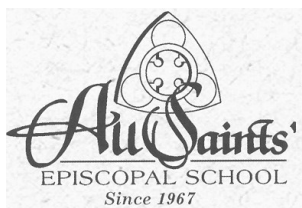

**October 10, 11, 12! The BBQ is upon us!**

**Sign up sheets go up soon. Please sign up early and often! Please keep in mind we are looking for some people to learn key jobs. There will be a list for those as well! Thanks, Bob**

*Heavenly Father,*

*The Epistle tells us, "Faith without works is dead." As we are prayerfully called to your service for another All Saints BBQ let us be mindful of our purpose. We ask your strength for our efforts. Keep us safe in our activities. Renew old friendships, kindle new ones. Let this be more than 7,000 lbs, more than 160 gallons, more than thousands of dollars of outreach. You ask us to change the whole world, but only require that we do it one relationship at a time. Send your Holy Spirit to set our hearts on fire for your service. We ask this in Jesus' name. Amen.*

September saw the conclusion of the first six weeks grading period for students at All Saints'. And with the end of the grading period comes the highly anticipated (rarely dreaded) report card. This time, students and parents got to see their report card issued through our new School Management Software, RenWeb. The implementation of this new software has been rocky but rewarding. Perhaps the most utilized feature by parents as a whole, online lunch ordering has greatly streamlined not only the parents' ability to place lunch orders but also the school's ability to track daily order totals for each class. ASEC members and ASES teachers, Holley Dickens and Susie Justice have lead the charge for faculty usage of RenWeb and are to be commended. Staff members Treasure Phillips and Charlotte Holland are the innovators, always discovering the next great feature available to us and how we can best implement it.

Middle school students spent the night at Grace Point Camp for their "Inward Bound" retreat. This trip, replacing the overnight previously held at Camp Wesley Woods, was a success by all accounts. After meeting with camp director, Rev. Brad Jones, and visiting the camp on a church related trip this past summer, Dr. Selby was convinced that it was the right time to refocus the fall overnight experience. Grace Point counselors led the ASES students in a variety of outdoor activities including archery, hiking and fishing. The faculty and staff who interact daily with our middle school students were tasked with adding a spiritual, self-examination element to the trip. In particular, the students were given a chance to reflect upon their position in the school—as role models for the younger students and leaders in the Core Values program. The results of this retreat have not only helped set the tone for the weekly religion class in the middle school, but have also added a dimension to our Wednesday chapel services. The eighth graders in particular seem conscious of their behavior-as-example, and we trust that the lessons they learned on retreat will remain with them as they begin to catch the "I'm-Ready-For-High-School" flu.

School is for the birds! The fourth grade class kicked off the fall migratory season by filling up bird feeders in the center courtyard. Two birds that have come to stay are busy nesting in the Science Lab. Zebra finches, Cosmo and Wanda, seem to be quite comfortable listening in on the learning. The Lady Eagles volleyball team (including church youth, Celeste Sexton) is in the middle of a challenging season. Facing teams much taller (and occasionally older) than they, the girls play fearlessly and never let their spirits fail. When all is said and done, the numbers may not show a winning season, but the parents and supporters know that when a team plays with *heart* no one loses.

The Parent-Teacher-Student Organization (PTSO) will once again join the BBQ faithful on October 11<sup>th</sup>. Have a sweet tooth? Be sure to introduce yourself to our parents as you find the perfect tidbit to compliment the pork!

Want to visit the school, read a story to the little ones, or share some life experience with a social studies class? Contact Laura Jo (Anderson) Mogren in the Development Office. She can help you find the right teacher to work with and schedule a time for you to come in. Of course you are always welcome for chapel Wednesday mornings at 8:10 am. If you haven't yet, sign up to receive the school's weekly eNewsletter. Email [lmogren@allsaintsepiscopalchool.org](mailto:lmogren@allsaintsepiscopalchool.org).

## Vestry Elections Ahead

Hello! Yes, I'm talking to you. Have you ever thought about serving on the vestry? Do you have an interest in serving your church? We will be having elections again at the beginning of the year and this is the time when the nominating committee is preparing a slate of nominees.

The qualifications for service are: must be a communicant in good standing.

A communicant means one must be a member of the parish by virtue of Baptism, Confirmation or by transfer by letter from another Episcopal or Lutheran church or by Reception by the Bishop and who has received Holy Communion at least three times during the preceding year.

In good standing indicates additional faithfulness in regular attendance, working and praying for the spread of the Kingdom of God and by providing financial support of the church through pledging.

Alex Cuningham, Jr. Warden and Stewardship; Howard Mauney, Finance; Kathy Haun, Youth and Kenny Zitt, Adult Education are our members whose terms are coming to a close. These will be big shoes to fill but we know there are persons among us who will step up to the plate!

If you might be interested please speak to Sarah Gose, Pete Balling, Taryn Herzog, Carol-jean Webster, Joe Doherty or any of the outgoing members listed above.

Thank you and have a good day!! Sarah Gose, Administration Committee
