
Saints' Alive

August 2015

Dear Friends,

As I write this, Ken and I are still on vacation. The past ten days have been emotionally full and over-flowing as we visit with friends and family. With each interaction I am reminded of how important "connection" is when it comes to nurturing and maintaining any relationship.

First we spent four days in Montana, just outside of Glacier Park, with the priest who mentored me on my journey to the priesthood, and the friend who provided considerable financial support for me to go to seminary. How grateful I am that God works through people whose generous spirit can significantly impact others. Without their confidence in me, and their emotional and financial support, going to seminary would have been both improbable and unlikely.

Then we flew to the beautiful Black Hills of South Dakota for a family reunion with my brother, sister, cousins, their spouses, children and grandchildren. We all descend from the Brownson Family who left the farmlands of New York to settle in Dakota Territory in 1864; as well as Jen Julius Hvistendahl who came from Denmark in the same year to stake his claim on the free land. As we gathered as family, recalling memories, telling stories, and sharing our own journeys, it was easy to see the strengths and qualities of those early settlers evident in each of us some 150 years later.

As I write this, we are in Minnesota, spending time with our children and grandchildren. What a joy it is to be greeted by three smiling children, all proudly wearing their Tennessee T-shirts! I, on the other hand, am now sporting a necklace made with neon-colored beads made just for me! Ken and I will be busy these three days playing animal sequence, scrabble, puzzles, and maybe even something new.

On Thursday I will have lunch with a college friend whose husband died last year. There is something irreplaceable about maintaining a connection with someone who knew you when you were seventeen years old, and who has journeyed with you through all the changes and chances that life offers.

We each have a human need to feel connected to one another. In the hustle and bustle of life it is so easy to ignore this need. So often we are too busy to send that card, to have that promised lunch, to pick up the phone, or to go to that funeral. But it is in those things that a relationship is nurtured.

The same is true with our relationship with God. Sunday mornings can beckon us to things other than worshipping God. But even if we go to church, we can easily fail to connect with God through prayer and reflection, as we go through life the other days of the week.

All of this requires each of us to be intentional about developing and fostering meaningful connections with God and each other. It is especially true in our outreach, as we strive to meet the needs of those who need our help. We can donate food, write a check, and pack bags of food, but the greatest gift we can give to people is to show them first hand our Christian love for them. As the song goes, "They will know that we are Christians by our love."

Mother Donna

Wow, it's the Dog Days of Summer already! Not just that but the young folk will be back in school in a week or so. Time doesn't stand still...it just keeps marching on.

Here at All Saints', we are moving forward as well. Mother Donna has been here for a couple months and Fr. Ken arrives in August. The Search Committee has been selected, commissioned and has begun the work we have entrusted them to do.

Rally Day will be here August 23, kicking off the the Sunday School year. There will be many opportunities for each of you to find a place to serve at All Saints'. Young people can be acolytes, as can persons of any age! The choir needs singers, especially women. The Altar Guild can always use a new pair of hands to help prepare the church for services--many hands make the work easier! Men's breakfast teams, coffee hour hosts, lay-weeders, are just a sampling of areas where one can make a difference!

We will be worshipping outdoors on September 13 on the new location just to the east where the Agape "lawn chair church" has met during the summer. Parish Life will have more on this event in the bulletins....it will be a "laid-back" occasion to worship the Lord while enjoying the beauty of His creation.

Remember to pray for the members of the search committee, pray for your vestry, pray for the community that is All Saints' and, above all, pray for each other!

Thank you!
your servant, Sarah

Your Search Committee is active and enthusiastic!

We hope that you will be pleased to know that we have been meeting and are well on our way! Rev. Maggie Zeller has been a faithful consultant in helping us to develop a time line for our search. By our estimation, our Parish is already more than 1/4th along the way of the standard process.

We ask that you be vigilant in watching for information and announcements. One other note of interest is that you prayerfully consider your pledge, contributions and donations as we work towards being led to our future spiritual leader.

Please continue to keep your Search Committee, Vestry, Search Consultant, Interims, OUR Rector out there waiting for us and all of our congregation in your prayers.

GOD'S GARDEN GROWING IN FAITH!

***We are like a tree planted by streams of water,
which yields its fruit in season
and whose leaf does not wither—
whatever they do prospers.***

Young Adult (17-30) Ministry

Our **LAST HURRAH OF SUMMER SWIM PARTY** will be held on Sunday, August 16, at 4:00pm, at the home of parishioners Al and Taryn Herzog!! Thanks, Herzog family! Come cool off and have fun with the PC gang before school starts!

Our Sunday night Bible Study with dinner will resume on September 13 at 5:30pm. Parishioners Mary and Jason Dockery will occasionally be with us as Co-Mentors with Cindy Selby.

-José Sanchez and Cody Nelson, Co-Chairs

Shirley DeGross is the chairperson for our Prayer Shawl Ministry. This ministry crochets beautiful shawls for people with a particular need whether it be sickness, a life change, or just needing some comfort at a certain time. Shirley is looking for donations of gift bags that will be used to deliver these very special shawls. The bags should be around the size of 9x13 inches or a little larger. These can be given to Shirley or me on any Sunday, left in my Vestry box downstairs, or brought to the Church Office. Thank you so much for helping this ministry.

Also, I would like to remind our parish family that the Rector's and Deacon's Discretionary Fund is always in need of monetary donations. These funds are a way that our parish can provide an outreach service to those in need of pastoral type emergency funds of varying need, whether it involves a parishioner or a member of our community. The loose offering on the first Sunday of the month goes to the Rector's Discretionary Fund, and on the second Sunday of the month it goes to the Deacon's Discretionary Fund. Please give what you can each month to these worthy funds.

Louise Joyce, Vestry Liaison Pastoral Care

We hope everyone in the Parish Family has been having a wonderful summer! Our youth helped with the Food on Foot bag distribution in July and is gearing up for another year. It is very important that all youth (6th through 12th grades) make it to the first Sunday School on August 23 at 9:15 in youth room to set up and give input to all you want to accomplish and do this year.

Curriculum for Youth 2014-15 will be "Re:Form" continued and Curriculum for Middle School will be "Rite 13" continued lead by Dana Rice.

Youth Schedule for August:

August 22 Food on Foot bag distribution 10:30am – 1pm

August 23 Sunday School Starts 9:15 in Youth Room

John Hutchins, Vestry Liaison for Youth

I am thrilled with all of the Outreach projects we have been able to complete this year with your help, and I'm excited about the upcoming year. I believe Outreach is one of the keys to growing our church and we must continue to be seen doing good works in our community. Otherwise, people just won't know what a wonderful, caring church All Saints' is.

Our tentative plans for the coming year include a continuation of our support for Food on Foot by filling food bags on two Wednesday nights during the month. There will be other Agape in Action programs for the remaining Wednesdays of each month. We are tentatively planning to add two new Outreach ministries which may become a part of the Wednesday Agape programs. Those under consideration are helping Serenity House with some of their needs and also providing help for the Cancer Center here in Morristown. While the plans are not yet totally ready to be implemented, I do believe Wednesday Agape in Action is going to provide additional opportunities for doing Outreach in our community.

Lend a Hand will again be helping with small service projects. Please let me or Larry McGowan know of any needs that might be served by this group.

We will continue our food donations for Central Services and are planning to have a special drive before the Thanksgiving holidays.

Outreach will continue the Christmas project of providing pajamas for the children at Food on Foot. These children look forward to receiving new pajamas for Christmas. Also, we hope to again sponsor a "Coats for the Cold" drive in order to provide warm jackets for the children served by Central Services.

We encourage your continued support of the programs instituted by ALPS throughout the year. Morristown is fortunate to have this wonderful organization in town.

Since it was so very successful, we also have a long-term goal of sending children from Hamblen County to Camp Billy Johnson again next summer. Fifteen children, including one of our own, attended this camp and had a wonderful Christian camp experience.

I personally want to thank everyone who helped us this year, and hope that you will continue to offer your prayers and support.

Blessings to all, Ginger Goolsby
Outreach Liaison to the Vestry

Adult Christian Formation for Fall

- Starting on August 30, at 9:15 a.m., the Adult Forum will begin a study of *The Agile Church* by Dwight Zscheile. We will cover a chapter per Sunday, for 6 Sundays, through Oct. 4. We will use the questions at end of each chapter for discussion. This book is a wonderful and inspirational description of new directions for the Church, new ways of evangelizing and “doing church.”
- On October 11, we will begin a study of *Crazy Christians* by The Very Rev. Michael Curry, currently Bishop of North Carolina and our next Presiding Bishop. We will cover a chapter each week. This course will be led by Deacons Gigi and Jim Sharp, who will have just returned from a conference featuring Bishop Curry, and if you have seen any of the videos of his sermons from General Convention, you know that this man is on fire for Jesus! You just can’t help but be moved by this man’s energy and passion.

Both books are available on Amazon.com (\$9.99 Kindle editions). Order now so you will have your book by August 30 -- but you don’t HAVE to have read it by then!

Bible Studies:

- Beginning in September, Mother Brown will lead a weekly Bible Study on Wednesday mornings at 10:00.
- Beginning on September 13, Project Canterbury will continue its Bible Study on Sunday nights at 5:30 p.m. with a light dinner. Any young adult from the ages of 17 to 30 is welcomed to join us and to bring a friend. We will continue with viewing the Rob Bell “Nooma” series of DVDs, Bible reading and discussion.

Wednesday Night Gatherings

- We are expanding our Wednesday night program! Beginning in September, the 1st and 3rd Wednesday nights will be scheduled at 5:30pm for “Setting Our Sights for the Future,” a series of conversations about who we are as a parish, and in what direction do we want to move, as well as updates from the ASEC Search Committee and the Diocese, discussions about social justice issues, etc.
- Our Wednesday night Agape Feed and Be Fed Services will continue on the 2nd and 4th Wednesdays at 5:30pm. The 4th Wednesday will be on the lawn during August if weather permits.
- 5th Wednesdays at 5:30 will be scheduled with speakers or one-session classes/ presentations by folks such as Dr. Justin & Helen Woolsey (Lynne Ann Anderson’s daughter and son-in-law) who serve the Christian Veterinary Ministry in Mongolia, or members of our Vestry who attend the August 29th Stewardship Conference in Knoxville.

Other Offerings for Springtime

- A Newcomers/Confirmation class, for all parishioners who wish to be baptized, confirmed, or received in order to become “official” members of the All Saints’ parish, will begin in the Spring. Bishop Young is making his annual visit in June, so that is when Baptisms, Confirmations and Receptions will be held. If you know already that you want to be a part of this class, please let Father Ken or Mother Donna or Lynne Ann know.
- An Overnight Women’s Retreat at Grace Point, led by Sarai Wender will be held sometime this Spring. These retreats are spiritual and fun, and the best way to get to know your sisters in Christ. All women, especially newcomers, are encouraged to attend.

Out & About

Good news!!!!

Interested in a fun way to get to know your fellow parishioners? Want to invite a friend to come to All Saints' but not quite sure how to go about it? Your Evangelism committee has a solution for you! We are forming a new fellowship group called "All Saints' Out and About". We have organized activities through Sunday, September 13.

(See schedule insert.)

Each group has a "host/hostess" to serve as contact person for that particular event. We invite you to participate in as many events that interest you. If you wish to participate, we ask that you RSVP the host/hostess or sign up on the red board in the parish hall, just so we can get an idea of how many people to expect.

Please note: Some activities do require reservations or advance purchases.

We are also looking for people to serve as hosts/hostesses and to help us plan activities. We will be holding an organizational meeting Sunday, August 16 at 9:00 AM. Join us!

See insert for our first planned activities!

Maudie Briggs, Vestry Liaison Evangelism & Deacon Gigi

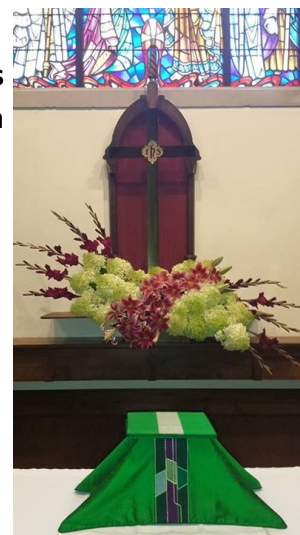

Greetings Parish Friends,

I hope everyone has had a great and safe summer. I can see many positive things happening for our church on the horizon starting with the "Out & About" evangelism program! There is of course the Food on Foot and Agape in Action and the Canterbury Club...all good outreach programs.

We are still needing people to fill positions being Acolytes and Lay Readers. This is truly a blessing and honor and all those willing will not regret but flourish in God's will. Please see Deacon Gigi or me to sign up for these positions.

Please walk in God's love and cherish each other as God cherishes us.

David Burnette, Vestry Liaison for Worship

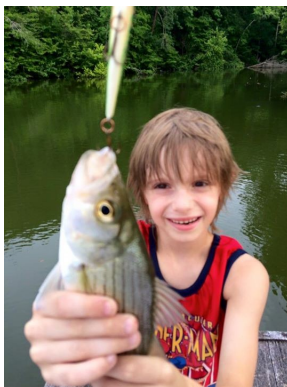

"No one has ever become poor by giving." - Anne Frank

On July 6, fifteen nervous but excited children (ages 8-14) from Hamblen County traveled to Knoxville where they met up with five kids from Knox County. They all boarded a school bus and journeyed to Grace Point for the Episcopal outreach camp of Camp Billy Johnson. The week included archery, prayer-bead making, wacky game playing, tubing, fishing, s'more making, tie-dyeing, swimming, 4-square playing, labyrinth walking, kayaking/canoeing, singing, friendship bracelet making...AND building relationships with one another. Seventeen kids from the Chattanooga area were in attendance as well. Late evenings around a campfire and early mornings with full days planned for them by twelve dedicated, faithful camp staff counselors...it was a sight to behold, dwell upon and celebrate!

All Satins' ECW generated funds to send 4 children from Hamblen County. Our Youth Group raised funds to send one child. The additional 10 kids from the area were funded by several other churches in the diocese. I could not have been more proud to be a part of a parish whose hearts were so embracing to this special ministry of outreach to children. I can tell you for certain—the staff at GP are sincerely moved by All Saints' commitment and efforts—as am I!

Thanks you, Thank YOU—for all of the work done in fundraising by our ECW (ALL OF YOU), Marylou Mauney, Jill Bruce, David Brunette, John Hutchins and Youth, transportation chaperoning by Jim & Gigi Sharp and Ginger Goolsby, and EVERYONE who contributed to the gift of camp for these kids who have never had this opportunity before. They loved it—I saw it and heard it...and it was because of YOU.

Thank you, Sarai Wender

Dear All Saints' Family,

I can never thank you ALL for what you have done for me. The food—calls—text messages—visits—cards—prayer shawl—it all helped me thru the days. But even more meaningful were the hugs, support and prayers that I received from you daily. I felt the prayers as God helped me walk thru the darkest days of my life. He continues to guide me as I try to continue the path He has given me. I know that is from the continued prayers from each of you. As I stood in the receiving line, I kept seeing faces of my All Saints' family; and though my heart was heave with grief, I felt a ray of sunshine because you cared so much for me. If I could string a necklace of pearls of those who have touched my life, each of you would be included. I love you from the bottom of my heart and I could never have gotten this far without you. May God bless each of you.

Lovingly, Janis & family
