

Illustrator Portfolio Display and "Best in Conference" Judging

All registered illustrators for the conference may participate in the portfolio judging. Members of our faculty will be reviewing the portfolios at lunch time and selecting the "Best In Conference." Being selected as the top portfolio at a regional conference is another way to obtain distinction for your children's illustration portfolio.

You may display your portfolio at the lunch break promptly at 12:00 PM. The portfolios will remain displayed until 1:00 PM. At 1:00, please pick up your portfolio unless otherwise notified.

Information and Requirements for Portfolios:
