10th ANNUAL
SEAoNY EDUCATION FOUNDATION
GOLF OUTING

MAHOPAC GOLF CLUB
Situated on the majestic, rolling countryside of New York’s southern Putnam County, Mahopac Golf Club is among the oldest clubs in the US. It was founded in 1898, only ten years after the game was introduced to America. Like the game of golf itself, the club has advanced over the last century. In 2006, the club renovated the 5,000 square foot lakefront property, making it the only club in the area with a private beach. The course, which features well bunkered greens, is considered by many to be one of the area’s most beautiful and most challenging.

THE EDUCATION FOUNDATION GOLF OUTING

Support a great cause while improving your handicap, getting some sun, and mingling with colleagues! Join us Monday, June 15th for a day on the links in support of the SEAoNY Education Foundation.

Proceeds from the golf outing provide scholarships for students who are chosen by that year’s Honorary SEAoNY Member. This past year, scholarships were awarded to Mark Milkis, a student at NYU Polytechnic, and Jae Sung Song, a student at Cooper Union.

In addition, each year the Education Foundation provides a scholarship to a high school senior from the Urban Assembly School for Design and Construction to support them as they go on to represent our industry and become leaders in promoting our profession. Last year’s scholarship winner was Demetrius Green who is now attending Rensselaer Polytechnic Institution.

For 2015 the proceeds from the golf outing will also go to support the educational mission of the Center for Architecture Foundation.

WE SUPPORT...

We started this event nine years ago with the intention of supporting college and university students. Since then, we have been able to expand our goals due to your generosity. We also award scholarships to graduating high school students from the Urban Assembly School for Design and Construction and support the Center for Architecture Foundation. We have distributed over $123,000 to these great causes. The amazing thing about this event is that we are helping so many people while also having a good time!
