Dear Reverend Schwerdtfeger,

On behalf of the Clintonville-Beechwold Community Resources Center, I thank you for your donation of \$1,350.00 which we received the past couple of months.

Your generosity has a direct impact on the thousands of people we are serving here in the community and beyond. We are busier than ever at the Clintonville-Beechwold Community Resources Center, with hundreds of families coming to us every week for food, clothing and many other services.

Our Kids Club program recently expanded to a third site, allowing us to serve up to 30 more students in grades kindergarten through fifth grade with afterschool programming. Also, our Senior Services staff served 445 older adults in 2015 -- an 11.7 percent increase over 2014.

As we look forward to consider all that we'll be asked to do during the coming year, we know it would not be possible without great support from friends such as you. Thank you!

Sincerely,

Bill Owens Thanks Glenn!
