Bone in short rib, rich chocolate sauce, potato and
sweet onions

Cuarto

Pastel de Chocolate

Flourless Mexican chocolate cake, spiced berries

En honor al chocolate

*Mexico's gift to the world,
chocolate was introduced to European
peoples with the return of Columbus upon
discovering the "New World." While
Europe proceeded to perfect the use of
sweet chocolate, this menu explores the
complexity and range of this age-old
aphrodisiac's indigenous applications.*
