+The name tomato comes from the Aztec language.

+Mexico City sinks 10 inches each year.

+Mexico has the world's smallest volcano. It is 43 feet tall and has a staircase inside.

+ Mexico is the largest salt producer in the world.

Our Move to Mexico City

As a family we have had a busy time of it as we unpack our things and set up our new home. We give thanks to God that all of our things arrived to Mexico intact. Now we have to arrange everything in order. We also spent a great deal of time at the immigration office to process our residence documents. The process involved many steps and trips to the immigration office but we finally have our documents.

We give thanks to God for the warm welcome that we have received from the people in the congregations. The ministry continues on as we work with the local congregations in the formation of national pastors. Missionary Tyler McMiller has been working very diligently with a number of youth at our Buen Pastor and San Pedro parishes. in confirmation class. We give thanks that Tyler has finished up and these youths will be confirmed in the coming weeks. Thanks be to God!

In the month of August our youth from Mexico will attend a "Congreso Juvenil" in Guadalajara. This event will afford them an opportunity of Bible Study and fellowship. The young people are presently involved in activities to raise money for this event. The youth group of San Pedro recently held a car wash to raise the money for their event. A good time was had by all as they did a great job on the cars they washed.

We Pray For:

+ Our Mexican national youth gathering that will take place in August.

+The future national pastors that are in formation.

+More partners for the mission in Mexico.

+The upcoming elections in Mexico.

+ The Latin American deaconess training program.

We Give Thanks For:

+ Our safe arrival to Mexico City.

+ The welcome extended to us by the members of the different churches.

+ The Lord's mercy that endureth forever.

FAMILY NOTES

A member from the church in San Pedro informed us that the latest research shows that Mexico City has a population of 25 million people. That would make Mexico City one of the largest if not the largest city in the world! In such a large city the public transport system is indispensable. In many cases you save time by using the subway rather than a private car because of the traffic jams that are so common. Using the public transport system also affords the opportunity to learn the culture as you interact with many people along the way. We have gotten lost our share of times but we are learning the system little by little.

Since arriving in Mexico we have added a member to our family. The newest member is a dog that Ana named 'Weeboo'. He is a very loving dog and enjoys his daily walks.

Dan is continuing with his training of national pastors. The harvest is plenty but the workers are few. Through the grace of God more kingdom workers are being trained to reap the harvest.

The work of the kingdom goes forth Through the prayers and support of God's people. Pray to see how God might use you to partner with His mission in Mexico. Thank you for your support!

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen.
(Ephesians 3:20-21)

Soli Deo Gloria
Rev. Daniel, Kathy, and Ana

To support our work financially, you may send a tax-deductible gift to:

The Lutheran Church—Missouri Synod
