(ISC)<sup>2</sup> San Francisco Chapter  
Board of Directors Nomination Form 2015-2016

**Purpose For My Nomination:**

In the past two and a half years, I have been a familiar face at the (ISC)<sup>2</sup>-SF chapter meetings. I have given presentations, recruited speakers, participated in most board meetings and have been welcoming to all of our members. I feel that the chapter has been a great way for me to meet like-minded people and grow my knowledge of the security industry. I'd like to help the chapter continue to grow and to provide these kinds of opportunities and benefits to all information security professionals of the bay area.

My experience leading technology departments and managing projects will be valuable to my success as the director of membership. I live and work in San Francisco and unless I am out of town for one reason or another, should be able to attend all chapter and chapter leadership meetings. For this reason, I believe that I will be able to dedicate the time required of this position.

*I have considered my available time and required participation, read the (ISC)<sup>2</sup>-SF Chapter Bylaws, and will abide by the responsibilities and commitments contained therein for the position for which I am nominated. If elected, I will hold my office with the highest standards of ethical and professional conduct, in the finest traditions of (ISC)<sup>2</sup> and the (ISC)<sup>2</sup>-SF Chapter.*

*I hereby certify that the statements and information in this nomination form are true and accurate to the best of my knowledge.*

Sincerely,

Trevor Hicks
