

## 2016 SPRING TEACHER TRIBUTES PROGRAM

### Honor special teachers ... send them roses!

As our school year draws to a close, now is a great time to thank the special teachers in your child's life. The Morris Educational Foundation's Teacher Tribute Program is the perfect way to do it! With your donation, a beautiful rose will be delivered to your honoree, along with a personalized message tag. You can honor principals, counselors, assistants, custodians, librarians, nurses, conductors, bus drivers, cafeteria staff, coaches, secretaries, and, of course, teachers. Everyone loves flowers!

Tax-deductible donations to the MEF fund educational grants and community programs throughout the Morris School District. Your support helps provide innovative classroom grants, cultural arts programs, tutoring, scholarships, professional development, and exciting community events that would otherwise be impossible. To learn about ways to support the MEF, please visit [www.morrisedfoundation.org](http://www.morrisedfoundation.org).

*A special thank you to Elliott's Flower Shoppe (973-539-1500) who generously provided all the flowers this year. Please consider Elliott's for your floral needs. Visit them at 172 South Street in Morristown!*

## 2016 SPRING TEACHER TRIBUTE PROGRAM

All donations due by Friday, June 10th.
