

Eagle Group Soars High as a VR Business Partner!

Continued...

In addition to production related positions such as Machine Operators and Assemblers, the Eagle Group team also includes Engineers, CAD Operators, Customer Service Associates, Accountants, Graphic Designers as well as many other positions.

In an effort to diversify their workforce, Jackie Poquette, Human Resources Manager of Eagle Group, works closely with Denise Burke and Dana Seaberg, Business Relations Specialists at the Division of Vocational Rehabilitation, and a strategic business partnership has developed over the past years.

Jackie has consistently supported DVR's mission of employing individuals with disabilities and provides invaluable feedback and employment opportunities to our clients that have significant challenges.

Eagle Group is a progressive organization that truly views their employees as their greatest asset. They strive to provide a best in practice culture, including consistently producing superior quality products and customer service, high safety standards, and a diverse work culture.
