Dear Chamber Member,

The 2016 Pow Wow for the Greater Valley Area is set for Friday, October 14, 2016, with the kick-off for Education Day. Education Day is where local and surrounding county schools are invited to bring their 4th grade classes to experience first-hand an up close, highly interactive Pow Wow Event. Then on Saturday, October 15, 2016, and Sunday, October 16, 2016, the Pow Wow event is open to the public from 10 a.m. CST/ 11 a.m. EST to 5 p.m. CST/ 6 p.m. EST. Last year the Pow Wow was a real success and we anticipate this year's event to be equally successful.

The Greater Valley Area Chamber of Commerce is contacting last year sponsors and Chamber members to ask in helping make this event possible.

We provide free tickets at **ALL** levels of sponsorship. Platinum sponsors receive eight free tickets; Gold sponsors receive six free tickets; Silver sponsors receive four free tickets; and Bronze sponsors receive two free tickets. Our Board of Directors is pleased to offer this in appreciation for your support.

Sponsorship brings greater visibility to your business or organization both at the event and in publicity for the event. Sponsors will be recognized in pre-event publicity, at the event, as well as listed in the program. We look forward to you being part of this – with your presence and also with your sponsorship.

Please mark below the level of sponsorship you choose:

_____ **Platinum, \$1,000** _____ **Gold, \$750** _____ **Silver, \$500** _____ **Bronze, \$250**

Please let us know by August 1, 2016, which sponsorship level you have chosen. Simply place a checkmark by the sponsorship you choose as it is listed above and return this letter to the Chamber along with your payment or contact the Chamber at 334-642-1411. Please remember you can also pay online at www.greatervalleyarea.com. Also, please send your company logo in electronic form to chamber@greatervalleyarea.com for publicity purposes.

To be shown as a sponsor in publicity and in the program, your sponsorship fee **must** be received at the Chamber by Monday, August 1st. After that date, no sponsorship will be available for this event.

We thank you for your support!
