### Meet Kyle Dixon

Kyle joined the team at CILO as the Staff Accountant in March of 2011.

Located in our Ohio office, Kyle identifies, records, measures, classifies, verifies, summarizes, interprets and communicates the organization's financial information. Kyle has a BS in Accounting, and aspires to become a CPA.

An avid Cincinnati Red's fan, Kyle has one brother and the "cutest niece ever" who is eight months old. When asked what one thing he wants people to know, Kyle responded "I'm not always grumpy on Monday".
