

The parade will finish and be directed off of Ridgedale at Ferryland (the first street past the Baseball field). This will allow for a larger and safer area for everyone to exit the parade and you will be directed to move your vehicles as far away from Ridgedale as possible before allowing riders to disembark.

VERY IMPORTANT - No riders will be permitted to exit onto Bullard Parkway on a float – (unless they can fit into your car or truck with seat belts). Therefore it is very important to have transportation available for all of your riders. Parking will be available at the 56th Street and Busch Blvd. plaza area and TT Police officers will be on hand to escort everyone across Bullard Parkway.
