

Serving Those Who Serve The Lord®

On July 10, 1918, the Board of Ministerial Relief and Annuities held its organizational meeting in Nashville, Tennessee. Minutes from the early deliberations included the following:

The men who have consecrated their lives to the work of the ministry until they have become old and feeble are entitled to the love and care of their brethren. They have received the meager salaries which are always attached to their calling. The nature of their work and the smallness of their financial remuneration make it impossible for them to provide for the period of advanced years and disabling infirmities.

The life of the minister is one of cheerful, willing self-giving; he accepts the terms; faces the issues — honoring his Lord and loving his work. But is it not true that this self-giving spirit on the part of the minister demands the same spirit on the part of the churches? Does it not also involve not only kind graciousness but definite duty? The faithful minister laid aside needs support. To refuse is to be unwise and un-Christian.

This burden was not to be carried alone — rather, it was one that has been embraced by GuideStone Financial Resources for over 90 years. Even though over time the word "Relief" was taken out of our corporate name, it has not been removed from our mission. We continue to be on a Mission to provide Dignity, comfort and security to **faithful ministers, workers and their widows** who have dedicated their lives to the gospel ministry.

You can help the Mission:Dignity ministry carry the burden by **sending a gift**, funding a **Charitable Gift Annuity**, designating the ministry as the beneficiary of your **life insurance, will or estate plan**, or **requesting materials** to share with others.

Notes from the Heart

Bobbie and Patricia M., pastored 25 years in Colorado, Nebraska, South Dakota, Utah and Wyoming

We are so appreciative of Mission:Dignity and the support we receive from you all. You have truly saved our lives and we would like to offer you and all of GuideStone a heartfelt thank you!

Betty H., widow of a pastor who served 50 years in Georgia

Many thanks and appreciation for all you are doing and have done for me. Words are not adequate enough to be expressed. May God continue his richest blessings on each of us. Pray for me as I continue my journey until God is finished with me. We will then know the joys of Heaven and the souls we have helped to win for Christ.

Patricia A., widow of a pastor who served 35 years in Illinois

Just a note to thank you so much for the good work you are doing to help others. I lost my husband 13 years ago. I have been able to stay in our home, and God has blessed me with a roof over my head, shoes on my feet and food on my table. I am 85 years of age, and still drive and take others to church. Words cannot express my thanks for the help you have been.

Welcome to First Baptist Navarre

PASTOR'S *thoughts...*

Thank you for joining with us as our guest today in our time of worship. We are delighted you chose to join with us as we worship our Lord.

Today we observe the ordinance of the Lord's Supper in both services. We participate in this observance several times a year at First Baptist in obedience to our Lord's command. We welcome you who have like faith and practice to join with us in this observance this morning.

During VBS our children gave an offering to the Florida Baptist Children's Home in the amount of \$628. You were given the opportunity to contribute to the amount they gave and the total collected was \$2,023. You and the children are to be commended for the expression of your love through giving for this ministry which is a part of the Florida Baptist Convention. Only eternity will tell what this gift has done for these children who received this gift.

I have been to a number of Military Retirement Ceremonies, but never in a church. The fact that Major Brad Roehrig chose to have his retirement ceremony in his church speaks volumes of words about his commitment to his Lord and Savior. It was a delightful pleasure to attend his ceremony this past Friday. All of us congratulate him upon his retirement and thank him for the years he gave in service to our country in the United States Air Force. We are so glad to claim him as one of our church members and thank him for the ministry he is giving to our church by teaching and serving as one of our Deacons.

We shall be having a baptismal service and time of fellowship at Navarre Park next Sunday evening at 6:00 p.m.
