Welcome to First Baptist Navarre

PASTOR'S thoughts...

We had a little lull in our first time visitors until last Sunday. It was exciting to meet a number of folks who came to First Baptist for the first time. We welcome those of you who are guests today and trust you will experience the Spirit of the Lord in this place.

We posted *Seven Things Church Members Should Say to Guests in a Worship Service* by Thom Rainer this past Sunday. If you did not read them, please review them in the Order of Worship from last week. We certainly want our guests to know they are welcome. As a member, you are the one who makes the greatest impression on our guests.

Holley by the Sea Summer Camp has invited First Baptist to direct and teach their children every Monday from 1:00-2:30 p.m. for 12 weeks. Dr. McInnis, with the assistance of some of our members, is leading this project. This is a wonderful opportunity to present the gospel as well as introduce First Baptist to the community. Please pray for these people as they minister and also for the children attending.

I trust you are using the *VBS Journey Off the Map Prayer Calendar* found in last week's Order of Worship. Please use it daily. We still need people to work with us in VBS. Every job is important in this once a year event. Please contact the Church Office to get info as to how you can assist.

We shall have our first Sunday Night Summer Fellowship tonight at 6:00 p.m. This is the first of a number of events we shall have on Sunday nights during the summer. Come and enjoy the fun...and bring your favorite ice cream.

First Baptist Church of Navarre

Focusing on the children

Good morning church family! Just in case you happened to miss it, the Navarre Press just recently featured First Baptist Church Navarre at the front of their "Faith & Family" Section (in the May 21st Edition). Although I normally do not get my news from the paper anymore, I happened to get my hands on a copy this week where they had printed an interview about the Secret Church event. I was surprised to see the Student Ministry occupying the main photo and couldn't help but share it with you all. Unfortunately I was not expecting the interview so I was not able to gather every Student that had participated. (The Photo only contains about half of us, sorry if you didn't make it in.) I just wanted to take this opportunity and say that it has been a tremendous joy and a blessing to serve The Lord while equipping these young adults with a greater knowledge of our Lord. I look forward to watching these young brothers and sisters continue to grow in their walk with Christ, steadily being brought to the fullness of the stature of Jesus Christ. Whether the world takes note or not, our service is unto The Lord first. We bring honor and glory to Him and to His name, and He will accomplish His work in us. God Bless! Bro. New Summer Bible Study
The 7 Experiment by Jen Hatmaker
Introduction:
Wednesday, June 10, 6:00 p.m.
Do you feel trapped in the machine of excess? Jen Hatmaker was. Her friends were. And some might say that our culture is. When Jen was called "rich" by a child who was living in poverty, she began a social experiment which evolved into a spiritual journey. Through this study, you'll start that same experiment, at whatever level you choose, in seven key areas: food, clothes, spending, media, possessions, waste, and stress. As a result of the experiment, Jen discovered a greatly increased God, a call to Christ-like simplicity, and a building generosity that radically changed the way she lived.
