***MHA of Georgia's
Mental Health Trainings
included in your
Sponsorship.***

Did you know?

30 percent of soldiers develop mental health problems within 3 to 4 months of returning home and that every day 22 veterans take their own lives. That's a suicide every 65 minutes.

Did you know?

Approximately 160,000 children in Georgia live with a serious mental health condition; yet, nearly 24% have not received mental health services.

Did you know?

5 professions with a higher than average rate of suicide include: ***attorneys, physicians, pharmacists, finance and real estate professionals.***

MHA of GA offers trainings on mental health topics of importance to Georgians.

This year, we are pleased to provide these trainings as an additional benefit of your sponsorship. Topics include suicide Prevention and children's mental health. You may choose either topic.

You may choose to donate your training(s) to another group/organization such as vets, schools, businesses or the faith community. Supplementary trainings are available for additional donations

MHA welcomes team sponsorships of groups with special involvement in mental health issues. Please call us for pricing.
