

# SUMMER CAMPS 2016

## MS GEORGIA'S MUSICAL BEGINNINGS

### Story of the World- International Legend and Lore June 13-16; 9:30 - 2:00

Explore exciting cultures of the world through folk tales, art, music, games, and cooking! Our days will include imitating the art of Paul Gauguin and Frederic Remington, creating beautiful Tiki masks and African Masai necklaces, hula dancing, and lots of unusual games. We will make a variety of international food each day, including Hawaiian monkey bread, Ethiopian Easter bread, and Jollof rice. We'll listen to lots of fun folktales and enjoy a captivating performance by phenomenal storyteller and Smithsonian scholar, Diane Macklin. It's a winner for sure!

### Around the World in Tasty Days! June 27-30; 9:30 - 2:00

This camp was so much fun last summer that we decided to do it again focusing on India, Polynesia, Spain, and Greece! Envision a day as Spanish paella simmers on the stove and the aroma of fresh baked empanadas fill the air, while your child creates a Picasso masks and paints Dali-like surreal animals, followed by a live Flamenco dance performance by Anna Menendez, trained in Spain and winner of the DC Arts Fellowship for excellence! All week, we will be listening to international music as we cook exotic foods, create art, and play games from around the world! This camp is jam-packed with nonstop excitement!

### Build It! - July 11-14; 9:30 - 2:00

Your camper will get their creative juices running and refine their engineering skills as they design and build bridges, catapults, and boats (yes, we will have boat races!) at the Build It! Camp. Guided by a professional Lego robotics team, they will build and program robots (challenge level personalized to each child) to play soccer! We will study the amazing feats and disastrous follies of engineers and learn about great architecture that is also art. In addition to listening to edgy classical music, we will compose music using cool technology. To keep us energized, we'll build some incredible sandwiches (think kabobs, wraps, toasted, and even homemade ice cream sandwiches) and work it off with a very unusual set of Olympic games!

Big Kid Camp Fee (ages 5-12): \$135, supplies and activity book \$25. Extended Camp Fee: M-F, 8AM-5PM, \$230; includes archery, swimming, miniature golf, table tennis, open art, and more. Optional lunch provided for \$3/day. Ask about our sibling discounts! Families welcome to attend guest performances at each camp camper attends. \$50 deposit due two weeks in advance of camp start date. For late registration, please contact Ms Georgia for availability. ## **Wilderness Super Safari!** **July 25-28; 9:30 - 2:00**

Would you like to pet a Burmese python? A boa constrictor? A Komodo dragon? A great week awaits you as we create animals with clay, paint and paper mache; meet, hold and learn crazy facts about exotic animals; and listen and learn about music inspired by animals! But it doesn't stop there. . .let's study the finer points of photography as we go on a photo safari and learn about bacteria and biology as we do some gross science (yuck!). Super scrumptious snacks like edible aquariums and turtle burgers are also on the list of fun and educational activities. You won't want to miss this camp . . .it's gonna be wild!

## **Little Kid Camps (for 3-5 year olds)**

At MGMB, we believe a true appreciation and internalization of music and art begins early in life. Our camps provide a counselor for every 2-3 children in a loving and safe atmosphere. Give your child the opportunity to interact and grow to love great music, famous art, and masterful literature, all taught in a way appropriate for their age and development.

## **The ABC Bash! - June 6-9, 9:30-12:30**

Imagine your child reinforcing their A,B,C's and phonics through the art of the great masters, classical music, and great kid's pop music! We will bop the alphabet with balls and rubber chickens, create incredibly fun and messy art, make yummy snacks, and explore new sounds with rhythm instruments and boom whackers. Your little one will learn to listen imaginatively to hear stories in the music and look carefully to see the story in great art masterpieces. On the final day, singer songwriter Alden Phelps will join us to sing silly songs! Your camper will love this fun filled, super educational, and ultra- creative camp!

Little Kid Camp Fees (ages 3-5): \$90, supplies and activity book \$20. \$50 deposit due two weeks in advance. For late registration, please contact Ms Georgia for availability.

## **A Trip to Treasure Island - August 1-4; 9:30 - 2:00**

A world of mermaids, pirates, whales and ships await us as we go on a trip to Treasure Island! Prepare yourself for a visit from Grace O'Malley the Pirate Queen; participate in a pirate treasure hunt; and cool off with super fun water games. We will learn about marine life, listen to sea shanties, and build regattas to race! Sea inspired snacks will keep us energized as we create seashell seahorses, striking sand art, cool coral reefs, and tinkling sea chimes. We'll top it off with a trip to Solomon's Island for swimming and water slides!

## **Amazing Animal Encounters: July 18-21, 9:30-12:30**

Have your child embark on an unforgettable adventure of music and movement, great stories, and classic art as we learn about animals, both lovable and the unlovable! We will and get moving with fun rhythm chants and parachute games from around the world. Art projects will accompany great children's literature and "eagle eye looks" at art of the masters. After creating healthy snacks and playing games, your little one will dance with scarves, bean bags, and hula hoops. On the last day, we will pet and learn about friendly animals of all kinds! Your child will have a "wild" time, learning all the while!
