

Long Beach Aquarium

{ *Week 3 Summer Camp Field Trip* }

Campers will have fun in the sun, this Friday, July 6, when they take a trip to Long Beach Aquarium. They will visit Shark Lagoon, A Fish Story, and Monsters of the Abyss. Campers will depart at 9:00 a.m. and will return by 4:00 p.m. Please remember, we cannot have campers join us once we are at the aquarium and we cannot have campers picked up early from the field trip. **Please provide a sack lunch for your camper***. Campers may bring a small purse or wallet and \$5-\$10 for a small snack or souvenir. No large bags or backpacks will be allowed on the trip. In addition, we ask that all campers come to camp with sunscreen applied, their camp T-shirt, and closed toed shoes (no sandals).

Thank you.

*Please only pack enough food for your camper's lunch. Everything not eaten at the end of lunch will be thrown away as food cannot be taken into the aquarium.
