

**Change of Date, October 21, 2015**

We are pleased to announce our First Educational Event!  
Co-sponsored with St. Vincent's Hospital

Keynote Speaker: Dr. Xavier Amador

"I Am Not Sick, I Don't Need Help!": Communicating Effectively Within, and Across Treatment Teams.

Dr. Xavier Amador is the author of the acclaimed book, "I Am Not Sick, I Don't Need Help" and the Director of The LEAP Institute

Keynote will be followed by a panel discussion consisting of a person in recovery, family member, clinician, administrator, and a related community based provider who would discuss these challenges from their respective vantage points, with Dr. Amador moderating, facilitating, and illustrating how LEAP principles can be effectively utilized in various contexts.
