

**Prayers** - Please remember those whom we serve and our staff of volunteers and Night Ministers in your personal prayers and in your congregation's Prayers for the Church.

**Financial Support** - Your financial support is vital in keeping our phone system operating and our Night Ministers on the streets. Donations can be received in the following ways:

**By mail, On-line, or through your congregational giving**  
**Giving Programs such as United Way, Thrivent Choice, or Amazon Smile**  
**Matching programs through your workplace, Benevity and others**  
**Giving through Charitable Trusts, Family Foundations or Endowments**

**Volunteer** - Consider becoming a **Crisis Line Counselor** or a member of our **"Daytime Volunteer Corps"** which assists with mailings, promotions, Fall Benefit set up, and at other times as needed. (E-mail for more information – [office@sfnightministry.org](mailto:office@sfnightministry.org))

**Advocate** - Become involved with advocacy efforts in your community around the issues of homelessness, rent control, affordable housing, mental health, addiction, needs of the disabled, and rights of the poor, senior support, and isolation, among others.

**Hospitality** - Organize a group and provide lunch after one of our Open Cathedrals. We currently gather 60 to 80 for worship and serve roughly 150 to 200 meals each week.

**Donate** - We provide night-time distribution of certain items if/when we have them. Consider organizing a drive in your congregation or club for: socks (new white cotton), hats, gloves, scarves, coats (men's mostly), blankets, sleeping bags, toiletries, nutrition bars, bottled water, bibles or gift certificates.

**Community Thrift Store** - We are a partner with Community Thrift (623 Valencia St. @ 18<sup>th</sup> St. in San Francisco). Donations made in our name (Code # 194) benefit us directly. (Call 415-861-4910 or see [communitythrift.org](http://communitythrift.org) for more info.)

**"Walk-Arounds"** - Come and join the Night Ministers for an evening and experience firsthand the ministry to our lonely, anxious and forgotten sisters and brothers. Individuals or groups are welcome. (E-mail for more information - [office@sfnightministry.org](mailto:office@sfnightministry.org) to schedule a night walk.)

**Promote** - Help us share the word about Night Ministry so that everyone who needs a word of comfort and hope at night knows how to reach us.

**Invite** - Invite one of our staff members, Governing Board members, or volunteers to lead an adult forum, to preach or preside in your congregation, or to speak to your civic organization or group.

**Planned Giving** – Consider a lasting gift remembering Night Ministry in your estate planning and long-range financial planning. Please contact us for more information about our Legacy Society and other ways to support Night Ministry.

**Thank you!** We greatly appreciate your support and partnership with us in our outreach and ministry.
