

THE WALL STREET JOURNAL.

Read ambitiously

What's Inside WSJ.com:

Time-saving features

1. **Get UP-TO-SPEED quickly** — Read **What's News** located at the top of the homepage, highlighting the most important and timely news of the moment. What's News is what you need to know right now.
2. **PERSONALIZE Your Experience** — Customize your WSJ by clicking the drop-down menu next to your name in the upper right-hand corner of every page. Save relevant articles for the future; create a watchlist of companies to follow; choose newsletters and alerts that match your interests.
3. **GO MOBILE** — Download the WSJ app for your device and keep up to date while you are on the go. Simply log in with your WSJ.com username and password. Go to **WSJ.com/mobile** for more information.
4. **SIMPLIFY Company Research** — Rely on information for 30,000 companies. Access news, press releases, company profiles, financials, research, ratings, and charting information all in one location. Enter the company name in the Search box in the upper right hand section of the Home Page.

In addition, you can use the Search box to access our four-year archive of information on private companies, topics and industries.
5. **EXCEL in Your Classes** — Delve into industry-specific news. Click on the **Business** tab located on the Home Page and select your topic of choice. Click the **Markets** tab for Finance; the **Tech** tab for Technology; the **Economy** tab for economic news.
6. **GO GLOBAL** — Find WSJ's International news and market data by going to the drop-down menu under The Wall Street Journal logo on the Home Page (U.S. edition). To access country-specific information, click on the **World** tab and select the region.

7. **TRACK Markets, Funds & Institutions** — Tap comprehensive real-time financial news and data plus interactive tools and charts by clicking on the **Markets** tab.
8. **SHARPEN your Skills** — with the online “How-to” Guides on Small Business, Personal Finance, Careers, Management and Health. Located at the bottom any page in the **Tools & Features** section – click on **Guides**.
9. **KEEP UP** — with the latest political news, polls and opinions by clicking on the **Politics** tab at the top of the Home Page.
10. **FIND TOPICS** you are researching — Find articles and more on a variety of topics, including countries, people, disciplines and much more. **Topics** is located in the **Tools & Features** section at the bottom of any page.
11. **ENLIVEN the news with VIDEOS** — Choose from topics in **Video Center** located under **Tools & Features** at the bottom of any page. Use the Search box at the Video Center to find the latest videos that match your interests.
12. **Explore the E-Reader** — If you missed today’s newspaper, click on **Today’s Paper** in the middle of the top of the Home Page for today’s print paper and an archive of 90 days of prior papers.
13. **MANAGE your Personal Finances** — Learn the tricks of managing your money by visiting **Your Money**, located on the Markets tab.
14. **BECOME a Great Hire** — Explore the trends in the job market by clicking on the **Life** tab and choosing **Careers** from the dropdown box. Increase your marketability and business literacy by studying what the recruiters and hiring managers are looking for.
15. **GET the Extra Edge** — **The WSJ Student Weekly Wrapup** newsletter recaps recent articles that focus on college student interests. Under **Tools & Features** at the bottom of the home page, click on **Emails & Alerts** and then navigate to **News & Politics**.
