**Saturday, May 9, 2015**

## **23<sup>rd</sup> Annual Letter Carrier Stamp Out Hunger Food Drive**

On Saturday, May 9, Letter and Rural Carriers will hold the largest single day Food Drive in the nation. Carriers are asking every household to leave non-perishable food items near their mailboxes prior to their mail delivery on that Saturday.

A Letter Carrier or a volunteer will pick up your donation and deliver it to a local food pantry. All the food collected stays right in your own community. In 2014, Letter Carriers collected 33,000 more pounds of food than they did in 2013.

### **Non – Perishable Food Donation Suggestions:**

#### **Canned Items**
