

## STEP OUTSIDE: Living According to our Christian Faith

Men, in times like these, it is especially important to be witnesses to all that we may come across daily in our lives. To live according to our Christian Faith. To be bearers of hope to those who have lost theirs.

Brothers, join us as we take time out of our lives to recommit ourselves to the Lord and give him all thanks and praise. To be discipled in His word and learn what it is He has in store for you, if you are willing.

Our speakers; Bishop Keith Andrews, Jeff Bisgrove, Ryan Thurman, and Rick Crossley, will help set us on a path that the Lord is calling us to take. To give us witness and ideas to take home and live according to our Christian Faith, as men, in our local communities and within our daily journey.

"The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord's favor." Luke 4:18-19

Brothers! Come and see what the Lord has in store for you. To know that He will be us when we, STEP OUTSIDE, live according to our Christian Faith and become bearers of hope to our family, places of work, and our communities!
