

Grace Boarding House Christmas

The children at Grace Boarding had a wonderful Christmas celebration. Grace Boarding hosted an intimate local Christmas concert to share and celebrate the birth of Jesus through singing, dancing, a nativity play, and more.

As a Christmas gift, each of the students received a new Grace Boarding jersey with the logo "Stand up for Good". This is our goal for the children of Grace Boarding, to be equipped with education as well as the knowledge and love of God in their hearts to be a force of good in the world. Thank you for standing with us in this endeavor!
