The Lay Leadership team met Tuesday, November 10th, in the first classroom. Items discussed were:

- Compiled names received from bulletin flyer and other sources in the last month. Identified seven additional names for delegation to Lay Leadership members for follow-up.
- Discussed the planned reorganization of the Trustees. We will continue to track it under the original structure until the new structure is ready to implement. However, any future recruiting will be against the new structure.
- A discussion had been made last month regarding the possibility of splitting Lay Leadership into two teams, as laid out by Brad and adopted by Core Leadership. However, we had determined that if a split occurred for 2016, we would not be able to staff both teams. So decision was made with Brad's approval to defer split to a future date. We will continue to operate in 2016 as a single team with the same job duties as last year.
- Reelected Rick Wilson as chair of Lay Leadership for 2016.
- There will be no December meeting. So the next meeting for Lay Leadership will be January 12th, 2016.
