

# CONSERVATORY LAB

CHARTER SCHOOL

January 28, 2016

Dear Friend,

I am contacting you on behalf of Conservatory Lab Charter School. We invite you to join us and celebrate together at our Spring Fling! Concert on April 9, 2016 at the John Hancock Auditorium in Back Bay.

The Conservatory Lab Charter School is an innovative school of over 400 diverse students (pre-Kindergarten through Grade 8) from all neighborhoods of Boston. Conservatory Lab empowers a diverse range of children as scholars, artists, and leaders through a unique and rigorous academic and music education. We enrich the larger Boston community through performance, community service, and collaboration. As a laboratory school, we develop and disseminate innovative educational approaches that will positively impact children in other schools and programs.

Last year the Spring Fling! Concert drew over 1,000 supporters who were thrilled and inspired by our children and Conservatory Lab families! This is our 6<sup>th</sup> Annual Community Concert and this year promises to be even more outstanding.

Your in-kind donation will allow all of the revenue from the concert to go directly back to the school. Donating an item or a gift card to our raffle will allow you to reach out to an audience of musicians, educators and families. We will acknowledge your business name in our program- a keepsake item for our families. We expect a full house of 1,100 people this year!

If you are also interested in an advertisement in our program they are priced at the following rates:

1. Half page (4 ¼ by 6) - \$250
2. Quarter page (4 ¼ by 3) - \$125

The deadline for submitting sponsorship information is February 26, 2016. The Conservatory Lab Charter School Foundation is a non-profit 501(c)(3) charitable organization. Your donation is tax deductible. Our Federal Tax ID # is -4.344.3578

We thank you in advance for your generosity and support of the students at the Conservatory Lab Charter School.

Sincerely,

Parent Conservatory Lab Charter School
