

T&E Care School Meal Assistance Program

Tredyffrin & Easttown Care is a local non-profit that helps families in our community in a variety of ways. Because effective learning is best done on a full stomach, T&E Care is supporting families in the T/E School District with a school meal assistance program. This assistance is available to families meeting certain income criteria. Families who are

approved for the government free or reduced lunch assistance are not eligible to apply for our program – this program is for families who make over the free/reduced levels but still struggle to afford lunch for their kids. More details on the acceptance criteria can be found on the short application found on our website.

If your family could use a little extra help with breakfast and/or lunch assistance and you feel you might fit the criteria explained in the application, please contact your child's counselor for a copy of the application. You can also go to T&E Care's website to download the application. (website address below) There is no deadline to apply. We recognize that emergencies occur at any time, so your child can join this program at any time during the school year. Assistance of \$30/mo/student for elementary students, and \$40/mo/student for middle and high school students was offered by T&E Care last year. It is expected that similar amounts will be available again in 2015-2016.

Any community members interested in helping to fund this important initiative, please go to T&E Care's website (www.tecare.org) for more details on how to get involved. Questions on the program can be sent to lunchhelp@tecare.org.
