Recording Stars Intensive

Private coaching sessions to be scheduled with Artistic Director

Session duration and fees determined by schedule*

(*Recording Fee TBD – the recording fee will be determined by number of musicians, their fees and number of songs recorded. Parent meetings will be scheduled when securing recording date at Troubadour Recording Studios -- <http://www.troubadourrecording.com>) CLASS SIZE LIMITED TO 10 STUDENTS

Recording Stars Intensive will give you the experience you are looking for to bring your “pop star” out! *Record your own CD* with a professional band, a professional recording engineer, a professional coach and your own music! You won’t find this class offered anywhere else; it is a brand new offering from the Ruhala Center!

Here’s what you will do with our professional guidance:

- Learn about how to make a professional CD (not a home-made version)
- Learn how to choose 4-8 songs for your CD
- Learn how to write 1-3 original songs for your CD
- Learn how to create original musical arrangements of your cover songs
- Experience rich collaboration with other musicians
- Work with a small band of professional musicians
- Record in a professional recording studio
- Have your CD engineered, mixed & mastered by a professional
- Learn how to create CD cover art and liner notes
- Learn how to market your CD

Accomplished singers only: This course is designed for singers with experience who have a real desire to move their careers to the next level and gain an experience of professional recording. This can be a most positive exploration of how far your talent reaches. Let it reach to the Stars!
