

ELEMENT Flex

The Element Flex is the most economical peel & stick cabinet product on the market!

"We just lit our first cabinet with Element Flex and it looks great. I am showing this as an option in all of my cabinet bids. Our costs are coming in right at or below lamp and ballast options. Pretty impressive! Great job to you and your team on this home run!"

– Tyler McFadden, Purchasing Manager, Sign House, Salina, KS

SPECIFICATIONS

Dimensions	0.32"W x 8.85"L x 0.15"H
Beam Angle	120°
