Protecting God's Children

If you are not already eligible, it is not too early to begin to prepare to be a room parent or classroom volunteer for next year. All school volunteers are required to complete the Protecting God's Children awareness session prior to the first day of volunteering. You can only register for the class online https://www.virtus.org/virtus/protecting_children.cfm

Sessions are currently being offered at some of the Catholic churches in the area. If you take the class at another parish you simply need to provide a copy of your certificate to our PGC/Safe Environment Coordinator. All volunteers also need to be fingerprinted. Persons living in Ohio for less than five years need to have an FBI check.

For more information on fingerprinting, contact: Stacey Nerone, Safe Environment Coordinator Saint Brigid of Kildare Church, 761-3734 ext. 260 snrone@midohio.twcbc.com

An Irish Blessing

May there always be work for your hands to do
 May your purse always hold a coin or two
 May the sun always shine on your windowpane
 May a rainbow be certain to follow each rain
 May the hand of a friend always be near you
 May God fill your heart with gladness to cheer you!
