

ABOUT OUR DACC HIGH SCHOOL STUDENTS

High school Students enrolled in the Early Childhood Education program at DACC are juniors and seniors from area high schools and have elected to spend half of their school day in an interactive learning environment to prepare for their future career as a caregiver.

Our students spend time each week working with and learning about preschool aged children and the developmental process. DACC high school students learn about effective child management and how to plan, present and evaluate developmentally appropriate activities for young children.

DACC students receive training in First Aid, CPR, Child Abuse, and Communicable Disease Recognition.

**AFFORDABLE PRESCHOOL FOR
YOUR CHILD'S DEVELOPMENTAL
AND SOCIAL NEEDS.**

ABOUT DACC'S PRESCHOOL

Preschool is an important period of a child's development. DACC's Preschool uses the Ohio Early Learning Development standards to plan their daily activities that cover English, Language Arts, Science, Mathematics and Social Studies.

Children are encouraged to play, explore, socialize, and exercise throughout the day to maximize their learning potential. As part of DACC's Early Childhood Education program, the ratio of high school student teachers to preschool students is high so that your child receives plenty of personal attention.

Pre-Qualifications:

We accept children between the ages of 3-5 who are potty trained.

DAILY SCHEDULE

Children not only need, but appreciate predictability. DACC's preschool class keeps a daily schedule of the following:

Learning Table that includes:

- Math
- Science
- Social Studies
- English Language Arts
- Creative Art
- Snack
- Story Time
- Music and Games

Preschool Hours:

Our preschool hours include a morning session and an afternoon session so you can choose what best fits your child's needs:

Morning Session: 8:20am - 10:30am

Afternoon Session: 11:45am - 1:55pm
