Leave your legacy at BASIS Scottsdale!

Make your mark in history! Pave the way for the future of BASIS Scottsdale with a permanent personalized Legacy Brick on the walkway leading to the front entrance of the campus. Donations will help fund the brand new, state-of-the art BASIS Scottsdale facility located on 128th Street.

For 18 years, students across Arizona, Texas, and Washington, D.C. have had a world-class, tuition-free education within reach thanks to BASIS charter schools. The mission of BASIS charter schools is to empower students to achieve at globally-competitive levels with our transformative K–12 academic program.

Construction has begun on a new facility that will increase existing student capacity from 750 to more than 1,200 and will include a full-size gym/auditorium. Through the generous volunteer and financial support of many—and the extraordinary support of a few—we believe that we can succeed in our goal, and help a vast number of young students receive a nationally-ranked, world-acclaimed BASIS charter school education. We hope that you will consider making a gift to support the BASIS Scottsdale campaign today.
