Friday, August 14, 2015

11:30 a.m.-1:30 p.m. ET

**United Way Building, RCI Room -
3901 N. Meridian St., Indianapolis**

Join us to hear from a panel of local and statewide experts about how substance abuse and the spread of infectious disease is affecting children and families in our state and how we as advocates can promote education, awareness, increased access to treatment and more effective policies to address these critical issues.

Feel free to bring your lunch. Light refreshments will be provided.
