

Fall 2014 Safety Seminars

Can your Company Survive an OSHA Inspection?

American Safety & Health Management Consultants, Inc. will be conducting a 4 hour safety seminar on the following dates:

- * November 6, 2014 Akron, Ohio
- * November 18, 2014 Hamilton, Ohio
- * December 9, 2014 Columbus, Ohio

Attendance at this seminar qualifies for BWC group rating two hour training credit and provides one safety council rebate program external training credit with submission of the certificate of attendance to your local sponsor.

OSHA is very active and they have significantly increased the number of inspections, citations and penalties. OSHA is cracking down even more. Beginning January 2015 if your company has an employee who is injured and has to be admitted to the Hospital for treatment you will have to notify OSHA within 24 hours. This will result in many more companies being subjected to an OSHA inspection.

This seminar is a great opportunity to become familiar with the following:

- * Which companies could be targeted?
- * Why OSHA could show up at your door
- * The things you need to know before an OSHA Inspection
- * What to do in case of an OSHA Inspection
- * Your rights under the OSHA Act

In addition the seminar will cover:

- * The most often cited OSHA violations
- * Types of penalties and how they are determined
- * Required written safety programs
- * Internal Safety Inspection Procedures
- * OSHA Recordkeeping Requirements
- * Review of the major OSHA standards that are always on OSHA's list
These include:
 - * The Hazard Communication Standard and the new GHS Requirements
 - * Emergency Procedures and Fire Protection
 - * Lockout/Tagout
 - * Machine Guarding
 - * Personal Protective Equipment
 - * Workplace Violence

Each attendee will receive an outline of the above course material. This is a must for any company concerned about their preparedness "In case of an OSHA Inspection". You will be glad you attended.
