

## **DISTRICT 6 – SULLIVAN COUNTY**

SULLIVAN COUNTY ambulance and fire crews will have routine police backup on all calls where there has been a domestic incident at the location within the previous 48 hours. Emergency dispatchers will be sending a state trooper, sheriff's deputy or local police officer to protect emergency responders. The action was prompted by the 12/24/12 shooting deaths of two volunteer firefighters in Webster, Monroe County, and the 1/31/09 shooting death of an EMT in Cape Vincent, Jefferson County, while treating the patient. FALLSBURG TOWN POLICE have been dispatched to all fire and medical calls since the beginning of the year.
