Dear Parents & Students:

Welcome to *Summer School Driver Education*. We hope you will have a very rewarding and enjoyable experience with us. Our program runs from Monday, June 8 through Friday, July 17, from 7:30 a.m. until 12:00 noon daily.

Parents and students **must attend** a special *Driver Education Night*. This meeting will take place **Thursday, May 7, 2015**, at the **East Campus, Auditorium** at **7:00 p.m.** At the parent night orientation, our staff will address the following concerns at this meeting:

- Parental responsibilities as it pertains to the new changes of the "Graduated Licensing Law."
- The four-phase driving segment of our program, including parent cooperation and assistance and teacher instruction and evaluation
- The "Lake Park Parent Guide" to complement in-class instruction
- Communication between teacher and parents

Students, after you have registered, you must see either Mr. Chellson or me to obtain a Rules of the Road booklet and directions on how to fill out the permit application at home before the program starts. The purpose is for the students to take the written exam, eye exam and turn in their signed permit application with a check or money order payable to the Secretary of State in the amount of twenty (\$20) dollars so that the driver education department does the process in getting your child's permit so you do not have to.

For more information about our program, please access Lake Park's web site at: <http://www.lphs.org> or contact either Ralph Duke @ rduke@lphs.org or James Chellson @ jchellson@lphs.org. Please turn in registration forms by **Friday, May 1, 2015**; space is limited.

Through our joint efforts, we will be able to better prepare your son or daughter for the challenges that face them, as they become tomorrow's drivers.

Sincerely,
Ralph Duke, Driver education Coordinator

James Chellson, Summer School Driver Education Coordinator
