Dear Parent,

August 2015

The faculty and staff of Lake Park High School's East Campus invite you to attend Parent Curriculum Night on **Wednesday, September 2, 2015**. During the evening parents will have the opportunity to follow their student's schedule, attend teacher presentations about learning objectives and course expectations, and visit with members of our Pupil Personnel Services Department.

The evening begins promptly at 7:00 PM with 1st period.

Additionally, Mr. Joe Tita, Manager of Instructional Technology, will be holding informational sessions about our technology initiatives. Students will have access to Google Apps for Education, which helps students take full advantage of the Internet and mobile technology for learning. The sessions will be held in the Computer Lab (2nd Floor).

As always, parking is at a premium. Open lots for parking include the driver education range (South of the building), bus parking area, and Transition Center (North of the building). The Medinah Baptist Church parking lot at 900 Foster Avenue is also open and is a short walk from campus. Handicapped parking is located in the gymnasium lot and in the circle drive. If possible, consider car pooling.

Please visit the library or cafeteria during your student's study hall or lunch period. Refreshments will be served in the cafeteria and counselors will be available to answer any questions you may have.

Please note that this evening is designed for parents only.

Sincerely Yours,
James L. Roberts
Principal, East Campus

Book Fair – East Campus

August 31-September 11 -- Lake Park High School Library

and

East Campus Curriculum Night – Wednesday, September 2

Classroom textbooks are provided to students. Registration fees cover the expense of textbooks; however, novels for English classes must be purchased by students at an additional cost. To avoid these costs, students may check out the books from a local public library or the school library—though limited quantities are available. If students wish to purchase their own copies, they may do so online or from a store (Amazon.com, Barnes and Noble, Half-Price Books, etc.). Locate the correct ISBN number, which is on the back of the book, near the barcode. Use the ISBN when purchasing books online or from a bookstore.

For your convenience a book fair will be held on-campus for students from August 31 - September 11. Additionally, the book fair will be open in the library during the East Campus Curriculum Night. Books can be purchased at the school library using cash, credit card, or with a check written to Lake Park High School. To determine which titles to purchase and the prices of the books at the book fair, please refer to the English class listed on your student's schedule and compare it to the list included on the reverse of this letter.

You may also purchase your books online at <http://andersons.indiebound.com/lake-park-highschool>. If you have any questions or concerns, please do not hesitate to contact me by email at jsutton@lphs.org or by phone at 630-295-5282.

Sincerely,
Jennifer Sutton
East Campus Teacher Librarian

Lake Park High School appreciates its
Book Fair partnership with **Anderson Bookstore.**
