

## Title I Tips

Greetings Parents and Guardians, the 2015-2016 District Parental Involvement Statement is available to view and read in English and in Spanish on our District Title I page which can be accessed through the district Title I link on our school Title I page under the “**About**” tab. The District Parental Involvement Statement was jointly developed with parents and describes how parents can be involved in the development and implementation of the district and school plan as well as how the district will ensure that schools are meeting the parental involvement requirements as mandated by the Elementary and Secondary Education Act. Copies will also be distributed to all parents of Title I eligible students by the end of October. All parents of Title I eligible students are welcomed to give feedback on the District Statement throughout the year on feedback forms provided in English and Spanish on the District Title I page by clicking on the Parent Involvement link. Questions can be directed to the Title I department at 470-254-0200.
